Welcome

Welcome to the Griffith University International Student Guide.

Making the decision to study overseas is a big one, and often involves a number of important people in your life. At Griffith University, we are committed to ensuring that you have the information you need, and feel well-supported and ready to make the most of the renowned Griffith student experience when you join us on campus.

This Guide contains information to help you make the choice that is right for you regarding where and what to study. For nearly 50 years, Griffith has been helping students achieve academic success, and ensuring that all our graduates are well-prepared and ready for their future careers. We are privileged to welcome students from around the world every trimester, and pride ourselves on the support we offer all international students, regardless of the campus or program. We recognise the importance of international rankings but, equally importantly, are committed to ensuring that you are well-supported, that there is someone there to help you with any issues that arise during your journey as a Griffith student, and that you have the opportunity to learn from some of the best university teachers in Australia.

Congratulations on taking this first step, and I hope that you will find what you are looking for in the pages of this Guide. Remember, too, that there is more information and detail about what Griffith has to offer at griffith.edu.au. Please let us know if there is anything more that we can do to support you in making this significant decision. If you do decide Griffith University is the right option for you, we look forward to welcoming you when you arrive on campus.

Professor Sarah Todd
Vice President (Global)
About Griffith

At Griffith, we are led by our values. Our teaching and research prioritise innovation and social impact, reflecting our belief that everyone deserves a chance to make a difference—for themselves and others.

Ranked in the top 2% worldwide
Griffith ranks alongside some of the best universities in the world.*

Research that makes a difference
Benefit from our vibrant research culture and learn from researchers at the forefront of discovery.

Living our values
Despite our relative youth, we’re being recognised worldwide for our commitment to sustainable development.**

Australia’s most awarded teachers
Study at a university that has some of the top university teachers in Australia.^

Future focused
Prepare for the future world of work with degrees developed in consultation with industry and based on cutting-edge research.

Prepared for employment
We include real-life industry experiences in our degrees and have a great range of employability initiatives to help you be job-ready.

Creating global citizens
Our degrees have an international focus, preparing you for work around the world.

Young and ambitious
We rank highly as a young university—33rd in the 2022 Times Higher Education Young University Ranking.

Support you need to succeed
You will have access to a wide range of services to make sure you are supported and connected.

^ Griffith has received more Australian Awards for University Teaching than any other university, since 2012.

** Ranked against the UN’s 17 Sustainable Development Goals (SDGs), Griffith placed in the top 100 universities worldwide in the Times Higher Education Impact Rankings for 2023.
Our location

Our campuses are located across the cities of Brisbane, Logan and Gold Coast. We have a growing digital campus for online study.

South Bank campus
- Griffith Film School
- Queensland College of Art
- Queensland Conservatorium
- 1.1km to Brisbane CBD
  - Car = 5 minutes
  - Bus = 10 minutes
  - Bicycle = 6 minutes
  - Walk = 13 minutes

Mt Gravatt campus
- 11.7km to Brisbane CBD
  - Car = 15 minutes
  - Bus = 20 minutes
  - Bicycle = 50 minutes

Nathan campus
- 12.9km to Brisbane CBD
  - Car = 15 minutes
  - Bus = 20 minutes
  - Bicycle = 50 minutes

Gold Coast campus
- 4.5km to Southport CBD
  - Car = 10 minutes
  - Light rail = 9 minutes
  - Bicycle = 20 minutes
- 60.9km to Brisbane CBD
  - Car = 60 minutes
  - Student Guild intercampus bus = 75 minutes

griffith.edu.au/life-at-griffith
Gold Coast

Beautiful beaches, excellent quality of life and friendly people make the Gold Coast a popular study destination.

- Average temperature: 15°C – 25°C
- Population: More than 630,000*
- 300 days of sunshine a year
- Beautiful white sandy beaches spanning nearly 60km of coastline
- 100,000 hectares of World Heritage-listed rainforests
- Regional status means students can apply for extended post-study work rights^*

* Population data supplied by City of Gold Coast
^ For more information visit griffith.edu.au/international/plan-your-move-to-australia/student-visa

Brisbane

Brisbane is a vibrant, expanding city, offering world-class education, a beautiful climate and a superb lifestyle. It is an ideal place to study and develop your career.

- Average temperature: 15°C – 26°C
- Population: 2.57 million*
- 283 days of sunshine a year
- One of the world’s most liveable cities
- Culturally diverse population: 28% of Brisbane’s residents were born overseas
- Brisbane is the host city of the 2032 Olympic and Paralympic Games

* Population data supplied by City of Brisbane
brisbane.qld.gov.au/brisbane-community-profiles

Build your career

Griffith University graduates are well-equipped for the new world of work. We include real-life industry experiences in our degrees and have a great range of employability initiatives to get you job-ready.

Work-integrated learning
Employers like to see real-world experience on your resume. You can gain this practical experience while you study, build your portfolio and develop networks through internships and industry placements. Many work-integrated learning opportunities will allow you to earn credit towards your degree.

Mentoring
Griffith’s range of mentoring programs will connect you locally and globally, allowing you to engage with students, alumni and industry professionals. Through our Industry Mentoring Program, we find you a suitable mentor to support and guide your career development.

Leadership programs
Join one of our leadership programs, including the Griffith Business School Student Leadership Program, Griffith Honours College or Griffith Mates. You will receive formal recognition for participating in these programs and gain a range of experience and skills sought after by future employers.

Griffith Honours College
Griffith is the only university in Australia with an honours college. The Griffith Honours College is an extracurricular program for outstanding students that provides experiences to increase your employability and graduate opportunities. Many of these experiences are exclusive to Griffith Honours College students and will enable you to develop a global perspective while enhancing your leadership, communication, teamwork, research and industry skills.

giffith.edu.au/griffith-honours-college

Careers and Employment Service
Our Careers and Employment Service can help you:
- understand your career options
- market yourself to employers
- transition to graduate employment
- find suitable employment while you’re studying.
They also have a range of information and events to help you on your journey.
giffith.edu.au/careers

Community Internship
The Community Internship is a 10-credit-point course available to students in most degrees. Through this course, you can make a difference in a local community organisation while developing professional and personal skills. You will spend a minimum of 50 hours in a not-for-profit organisation placement and combine this with academic learning. With hundreds of internship opportunities, we can tailor the internship to match your study area or interests.
giffith.edu.au/learning-futures/service-learning

‘The Griffith Business School Student Leadership Program provided me the opportunity to travel to Borneo, mentor fellow students and gain transferable skills I now use in my profession.’
Alvin (Malaysia)
Bachelor of Commerce and Bachelor of International Business graduate

giffith.edu.au/employability
International scholarships and awards

We offer a range of scholarships and awards to support international students studying our undergraduate, postgraduate, research and pathway programs. Our scholarships reward academic excellence as well as good academic outcomes throughout a student’s degree.

A Griffith scholarship can ease the cost of study significantly, helping to cover tuition fees. Griffith International scholarships are awarded based on academic achievement and are designed to reward good academic progress throughout a student’s degree.

Find out more at:
griffith.edu.au/international-scholarships

‘The financial aid that Griffith provides to international students facilitates endless possibilities, just as my Griffith scholarship made my dream to study in Australia a reality. They believed in me first as a person and then as a student, upholding my desire to honour my grandmother’s legacy, and my passion to help others struggling with cognitive disorders.’

Sarah (Canada)
Bachelor of Psychology (Honours)
Where to live

Whether you would like to live on-campus or off-campus, there are several options you can explore to find housing to suit your needs. Homestay is another great option and allows you to experience life with a local family while you study.

Temporary and short stay accommodation
It is vitally important that you organise temporary accommodation for your first few days or weeks in Queensland, as it is important that you inspect your long-term off-campus accommodation before you move in. There are short-term accommodation options located near each of our campuses that are easily accessible by public transport.

Off-campus
In Australia, share housing—where you share a house or apartment with a number of other students—is the most common form of off-campus accommodation.

When looking for suitable off-campus accommodation, you will need to consider:
- the cost of rent (usually advertised as a weekly amount)
- if utilities are included in your rent (electricity, water, gas)
- if internet is included in your rent
- if the accommodation is furnished
- how close the accommodation is to your campus
- access to public transport

Off-campus accommodation preferred partners
Griffith University has established preferred partnerships with a selection of off-campus student accommodation providers across its campuses between Brisbane and the Gold Coast. To be included in this program, providers are inspected by University staff and are required to meet a set of performance standards that ensures quality and safety.

Brisbane
Genesis 1; Scape; Student One; UniLodge Park Central; Uniresort.

Logan
UniCentral Griffith.

Gold Coast
University Village; Metro on Central; University Square.

Homestay
Homestay accommodation gives you the option of living with an Australian family while you study. Homestay is available to students at all Griffith campuses. Some homestay providers offer independent living options such as a granny flat. Homestay is a great way to develop your English language skills and experience life in Australia, and offers catered and self-catered options. griffith.edu.au/homestay

You can find additional resources for homestay options on the Gold Coast on the Study Gold Coast website at studygoldcoast.org.au/live/student-accommodation/

On-campus
Griffith offers self-catered accommodation on the Nathan campus and partners with Campus Living Villages to provide self-catered, on-campus accommodation in the Griffith University Village on the Gold Coast campus.

Living on campus is a fantastic way to meet new people, find out about new cultures, and develop independence. On-campus accommodation is fully furnished and provides access to cooking facilities, laundry facilities, common rooms and internet, as well as offering a vibrant social life.

Airport pickup
International students commencing at Griffith University can apply for a free airport pickup, which takes you from the airport directly to your pre-arranged accommodation. The service is free for eligible new international students arriving at the Brisbane or Gold Coast airports. griffith.edu.au/airport-reception
Cost of living

There are many different costs involved in international study and your cost of living in Australia will vary depending on your lifestyle and personal requirements.

South East Queensland offers a combination of quality education and high living standards.

The cost of living in South East Queensland is considered more affordable than other major Australian cities such as Sydney and Melbourne*.

The Australian Government requires students to have access to a minimum of AUD $21,041 (Australian dollars) per year to meet their living costs, but most students spend more than this. Costs will be higher if you have family members accompanying you.

* In the QS Best Student Cities 2023 rankings, Brisbane and the Gold Coast are ahead of Sydney and Melbourne in the Affordability Rank.

Calculating your total cost of study

Your total cost of studying in Australia will include:

- tuition fees
- visa application fees
- Overseas Student Health Cover (OSHC)
- flights
- cost of living
- other personal and study-related expenses.

Tuition fees

Tuition fees are reviewed annually, and international students should expect an increase in fees each year. Detailed information on the fees relevant for your degree, including the fees applicable in your commencing trimester, is available at degrees.griffith.edu.au

Weekly cost of living estimate

The majority of the information below is based on 2023 costs according to Study Australia** (for more details visit: studyaustralia.gov.au/english/live/living-costs). Please be advised it is an estimate only and individual differences mean prices will vary. Please note these costs do not include: arrival costs, accommodation, security deposit, textbooks, clothing and medical expenses.

* Fully-catered Homestay accommodation includes food. The cost of fully-catered, semi-catered or self-catered Homestay accommodation will vary.

† Students can expect to pay an additional cost for heating and air conditioning.

** These costs were calculated in May 2023

‘Queensland has lots of amazing places to explore, with new events, restaurants and activities popping up all the time. I love living on the Gold Coast; it’s not too crowded, the people are super friendly and it has lots of beaches, mountains, and waterfalls to explore.’

Fiona (Indonesia)
Master of International Tourism and Hospitality Management

griffith.edu.au/international-costs
Your student experience

Meet new people, make friends, enjoy the Australian lifestyle and, most importantly, have fun! We want you to have the best possible experience with your studies and enjoy your time at Griffith.

Sport and fitness
Griffith offers a variety of sporting facilities and competitions.

- Join Griffith Sport for social sport competitions.
- Enjoy discounted student memberships for facilities including:
  - on-campus gyms
  - athletics track at Gold Coast campus
  - Mt Gravatt Tennis Centre
  - swimming pools at Mt Gravatt and Gold Coast campuses.

griffith.edu.au/sport

Orientation
Once you are ready to enrol in your first trimester you will be sent a link to myOrientation, a compulsory online orientation that will provide you with key information to prepare you for study and life at Griffith. Orientation Week is when you get to know Griffith, connect with your key support network online or on campus, and have fun meeting people before you start classes.

- Find out about studying and living in Australia at an International Student Welcome session during Orientation Week.
- Discover Brisbane or Gold Coast highlights on a free Twilight City Walking Tour with the Griffith Mates.
- Enjoy free activities on campus and in your new city!

griffith.edu.au/orientation

Clubs and societies
Griffith has over 120 clubs in cultural, religious, political, educational, sporting, professional and special interest areas. There are also international student clubs, societies and associations, including from: Africa, Bangladesh, China, Pacific Islands (Pasifika), Philippines, India, Indonesia, Japan, Korea, Papua New Guinea, Sri Lanka, and Vietnam.

griffith.edu.au/clubs

Griffith volunteer community
In addition to Bush Care and Beach Care, Griffith Mates offer a range of other volunteer opportunities, which change each trimester. These can include volunteering at fun runs, community events and caring for the environment.

Griffith Bush Care group
(Brisbane campuses)
Help restore the Australian bush environment and, if you are lucky, see koalas, possums, and sugar gliders. Join us to develop your teamwork skills, learn more about the environment and meet new people.

giffith.edu.au/mates

Griffith Beach Care group
(Gold Coast campus)
Help restore and care for our beautiful coastal environments with the Griffith Beach Care group. This is a great way to give back to the environment, meet new people and enjoy the beaches of the Gold Coast.

giffith.edu.au/mates

Religion
Each Griffith campus provides access to prayer facilities as well as multi-faith chaplains.

giffith.edu.au/chaplaincy

International Student Buddy Program
The International Student Buddy Program runs from Week 1 to Week 4 of each trimester with opportunities to meet at Student Buddy specific events, or Griffith Mates events each week at the Gold Coast and Nathan campuses. Current students (Senior Buddies) provide peer support to commencing international students (Junior Buddies), with each weekly session covering topics to help ease your transition to university life. This is a safe and comfortable environment where you can ask questions about Griffith and life in Australia, as well as practise your English. It is also a great way to make friends!

giffith.edu.au/international-buddy

Find out more at:
griffith.edu.au/life-at-griffith
‘I love how Griffith welcomes and supports international students through International Student Advisors and events and activities organised by the Griffith Mates. Griffith respects who you are.’

Aya (Japan)
Bachelor of Medical Laboratory Science

Griffith Mates

Enjoy the most memorable years of your life with the Griffith Mates. The Griffith Mates are a diverse peer support network for international students, with members who speak over 30 languages. Look out for the Griffith Mates at Orientation—they may even be waiting to welcome you at the airport arrivals hall when you arrive in Australia!

Griffith Mates will help you make the most of university, develop friendships, practise your English, and:

- meet other international and Australian students
- join in volunteering opportunities, e.g. learn about the Australian environment
- visit amazing locations with the Griffith Mates on day trips around South East Queensland
- attend free on-campus events and activities, from games and sports to networking events
- expand your worldview with cross-cultural leadership opportunities by becoming a Griffith Mate.

Find out more at:
griffith.edu.au/mates
Student support

You will have access to Griffith University's comprehensive range of student support services, including programs and staff dedicated specifically to helping international students.

International Student Advisory
If you need extra information or support, make an in-person or online appointment with an International Student Advisor. International Student Advisors provide information to support you to manage your life and your studies within the conditions of your student visa. Our team of dedicated and highly experienced staff can answer any questions throughout your time on campus and help guide you towards academic success.

giffith.edu.au/international-student-advisors

Career support
Our Careers and Employment Service assists with career planning and mentoring. Our successful Industry Mentoring Program matches Griffith students with industry professionals for career development, learning and industry exposure.

giffith.edu.au/careers-employment

Financial assistance
If you need help with budgeting or money, there are services available to offer budgeting advice, a textbook exchange service and other financial support services.

giffith.edu.au/student-support

Academic enrichment and learning support
EnglishHELP: If English is your second language, we provide a free English language learning service to continue developing your academic English and improve your overall academic performance. From dedicated courses to free one-to-one tutoring sessions, we offer a range of solutions that can help you achieve your goals.

giffith.edu.au/englishhelp

PASS: Peer Assisted Study Sessions (PASS) are study groups for specific courses that students often find difficult or demanding. The sessions are facilitated by student leaders who have previously completed the course and achieved excellent results.

giffith.edu.au/students/peer-assisted-study-sessions

Accommodation
See page 6 for information regarding accommodation options at Griffith.

giffith.edu.au/accommodation

Library
Become acquainted with the library—we have six libraries with a range of resources for study, including computers, quiet study areas and group work spaces. The library has helpful staff as well as a range of online resources to help you with different aspects of your academic life, including assignments, referencing, exam prep, and more!

giffith.edu.au/library

Free airport pickup service
Have a friendly face meet you at the airport when you arrive in Australia! International students commencing at Griffith University can apply for a free airport pickup, which takes you from the airport directly to your pre-arranged accommodation. The service is free for eligible new international students arriving at the Brisbane or Gold Coast airports.

giffith.edu.au/airport-reception

Health and wellbeing
If you need a doctor, there are health and medical services located on the Gold Coast and Nathan campuses, as well as medical centres and hospitals near every campus. If you need someone to talk to about personal issues, we offer free, confidential counselling sessions on our campuses and a range of online counselling options.

giffith.edu.au/student-support

Disability services
At Griffith, we seek to remove barriers that students with disabilities face in higher education. Through our Disability and Accessibility Service, we aim to improve the participation, retention and success of students with disabilities, while ensuring easy access to learning environments. If you would benefit from the support offered by our Disability and Accessibility Service, we encourage you to make contact with our friendly staff before you start or at any time during your degree. Prospective students requiring disability support should make contact early so we can provide advice and information about the support available.

giffith.edu.au/disability

Safe campuses
All members of the Griffith University community have a right to feel welcome, safe and supported. We are committed to providing safe and inclusive campus communities free from harassment, bullying, discrimination and sexual assault. We encourage members of the Griffith community to call out, report and seek support when these behaviours occur.

giffith.edu.au/safe-campuses

Find out more at:
giffith.edu.au/student-support
‘Griffith has supported me through my student journey in numerous ways. The International Student Advisors really helped me figure out my study load; they would call and check on me and helped me with finding a house. I’m forever grateful for their support.’

Annamac (India)
Tourism and Hospitality Management and Marketing
Know your options

No matter what level of study you have completed, or what English level you have, we have a range of study options and pathways to help you achieve your study goals.

Study options and pathways at Griffith

Completion of secondary (high) school, comparable to Australian Year 11 (or equivalent academic achievement)

Diploma or Foundation program
(1 year)
Griffith College (see pages 22–23)

Completion of secondary (high) school, comparable to Australian Year 12 (or equivalent academic achievement)

Masters Qualifying Program
(4 months)
Griffith College (see pages 22–23)

Undergraduate degree
(3–4 years)
• Bachelor
• Bachelor with Honours

Postgraduate degree
(1–2.5 years)
• Master (coursework)

Graduate Diploma
Graduate Certificate
(0.5–1.5 years)

Graduate research degree
(2–4 years)
• PhD and Master (research)

English language course
(10–50 weeks)
Griffith English Language Institute (see pages 18–19)

Trimester teaching
At Griffith, we teach across three trimesters rather than two semesters. Trimesters 1 and 2 are compulsory, so if you begin your degree in Trimester 3, you must complete Trimesters 1 and 2 in the following year. However, if you begin in Trimester 1 or 2, it is not compulsory to enrol in Trimester 3.

Please note: A small number of Griffith degrees require students to enrol in Trimester 3.

Online study
Our online degrees are delivered 100% online, giving you flexibility over where and when you study. Choose between full-time and part-time study options.

Please note: If you enrol in an online or external degree you are not eligible for an Australian student visa.

Explore study options at:
griffith.edu.au/degrees
What am I eligible to study?

Read below for an overview of entry requirements for Griffith University degrees.

Academic entry requirements

Undergraduate (bachelor)

Standard entry*
Completion of secondary school comparable to Australian Year 12 or equivalent academic achievement.

Some programs have higher entry requirements, specific prerequisites or require the submission of portfolios, medical checks or professional work experience.

Pathway option(s)
Study a foundation or diploma program through Griffith College. See pages 18–19. Gain direct entry into the relevant Griffith University bachelor degree upon completion.

Postgraduate (master)

Standard entry*
A bachelor degree or higher (or equivalent) from a recognised university.

You must meet minimum Grade Point Average (GPA) entry requirements. Griffith also recognises the knowledge gained through work experience, as well as prior study, for some degrees.

Pathway option
Study the Masters Qualifying Program (MQP), delivered by Griffith College, for entry into Griffith University masters programs. See pages 18–19. The MQP provides you with an opportunity to upgrade your prior study to meet direct entry requirements for a selection of Griffith masters programs.

Research

Standard entry*
Doctor of Philosophy (PhD)

- A bachelor degree (or equivalent) with class I honours or class IIA honours; or
- a master degree (or equivalent) incorporating a significant research component; or
- a record of research, or a qualification granted by a professional or other body, which is deemed to be of a standard comparable to a bachelor degree with class IIA honours.

Master of Philosophy (MPhil)

- a bachelor degree (or equivalent) with at least class IIB honours incorporating a significant research component; or
- a record of research, or a qualification granted by a professional or other body, which is deemed to be of a standard comparable to a bachelor degree with class IIB honours.

Pathway option(s)
Graduate Diploma of Research Studies Griffith offers graduate diplomas in specific disciplines.

English language entry requirements

Undergraduate (bachelor), postgraduate (master) and research

Standard entry*

- IELTS: minimum score of 6.5, with no subscore less than 6.0; or
- Internet-based (iBT) TOEFL: score of 79 (no subscore less than 19); or
- Pearson Test of English (Academic): overall score of 58 with no score less than 50; or
- ISLPR: no score less than 3+ in each skill of the ISLPR (conducted by ISLPR Language Services only).

Pathway option(s)
Complete the Direct Entry Program at Griffith English Language Institute. See pages 14–15. The duration of English study required will vary depending on your current level of English.

* Visit degrees.griffith.edu.au to view the academic and English language entry requirements for your degree.
Direct Entry Program
Join our highly popular Direct Entry Program to gain the English skills necessary to enter a Griffith University degree or Griffith College program.

There are seven levels in the Direct Entry Program, and you will be placed in the appropriate class based on the results from your proficiency test or the Griffith English Test. You will build your English language skills in reading, writing, listening and speaking, and at the higher levels you will practise academic skills that will help you to be successful in your studies at diploma, bachelor, master or PhD level.

When you successfully complete the Direct Entry Program at the equivalent of the IELTS level needed for your degree or diploma, you can enter your program directly without needing to submit a proficiency test result.*

* A small number of degrees require a formal proficiency test for entry. Check the English language entry requirements for your degree at griffith.edu.au/international-study

Fees
Your tuition fees for the Direct Entry Program will vary depending on the number of weeks in which you are enrolled.

2024 fees
Up to 25 weeks: $460 per week
26+ weeks: $430 per week
Enrolment fee: $225

GELI classes
Class sizes at GELI are small so you will receive personal attention from your teachers and progress quickly through your studies.

There are 20 hours of classes per week, two x 2-hour sessions each day, Monday to Friday. There are an additional five hours of independent learning each week, using GELI’s independent learning plans.

Activities program
Participate in free and low-cost activities to practise English, make friends and engage with the local community.

**Key:** W = Writing, L = Listening, R = Reading, S = Speaking, < = less than, Comm Skill = Communicative Skill.

* Check the English language entry requirements for your degree at [griffith.edu.au/international-study](http://griffith.edu.au/international-study)

Please note: it normally takes 10–15 weeks to progress from one level to the next. This table indicates expected course length for students requiring IELTS 6.5.
Our Study Abroad Program and Exchange Program allow you to complete one or two trimesters of study in Australia and earn credit towards your home degree. Choose from a wide range of courses and study at one of our Brisbane or Gold Coast campuses.

Wide range of courses
Griffith has 10 study areas and hundreds of courses for you to choose from. Our study areas include: business and government; criminology and law; education engineering, IT and aviation; humanities, languages and social sciences; health; music and performing arts; science and environment; visual and creative arts. To find a course visit our degree finder on our website and search by ‘courses’.
griffith.edu.au/study/courses

English + University
Our English + University program is the best way to meet Griffith’s English language entry requirements before you begin your Study Abroad trimester (or year). English + University students complete Griffith English Language Institute’s award-winning Direct Entry Program then begin their Griffith University Study Abroad Program as a confident English speaker, listener, reader and writer. Additional fees apply.
griffith.edu.au/geli

Community Internship
The Community Internship is a 10-credit point course, available to students from all degrees. Through this course you will be able to make a difference in a local community organisation while developing a range of professional and personal skills. You will spend a minimum of 50 hours in a not-for-profit organisation placement and combine this with academic learning. With hundreds of internship opportunities, we can tailor the internship to match your study area or interests.
griffith.edu.au/learning-futures/service-learning

How many courses can I study?
At Griffith, a typical full-time study load is 30 to 40 credit points (CP). One course (subject) is usually worth 10CP. You can choose from the following options per trimester:
• 30CP – 3 courses
• 40CP – 4 courses
• 50CP – 5 courses
10CP = 3 to 4 credits in the US system
10CP = 7.5 ECTS in the European system
Note: the above information should be used as a guide only.

Student Support
Study Abroad and Exchange students can enjoy a wide range of dedicated student support services including International Student Advisory, the Griffith Mates, Careers and Employment Service, and more. See pages 8 and 10 for more services.

‘Studying abroad in Australia is the best decision I ever made. The opportunities for adventure and self-discovery are endless, and you’ll come back a more confident and self-assured person. I’m so grateful for the chance to experience everything that Australia has to offer.’

Floris (Netherlands)
Computer Science student

How to apply

You can complete your Study Abroad or Exchange Program application in four simple steps.

01

Study Abroad applicants
Check you meet academic entry requirements.
You must have an above average overall Grade Point Average (equivalent to 4.5 on Griffith’s 7.0 scale).
Students straight from high school may be eligible for this program.

Exchange applicants
Request nomination from your home university.
If you are from an exchange partner university, you must be nominated by your home university and meet their exchange program requirements to be eligible for the program.

02

Check you meet English language entry requirements.
If you are from a non-English speaking background, you must provide proof of English language proficiency, equivalent to IELTS overall 6.0 (6.5 for postgraduate students).

03

Prepare supporting documentation.
Include a copy of the most recent official academic transcript (including academic grading scale)*; proof of English language proficiency (if required); copy of passport.

*Students may be asked for certified copies of the documentation listed above, i.e. signed and stamped by a home university representative or agent.

04

Apply online.
Apply online or via a registered recruitment representative.

Griffith College

Griffith College offers an alternative to studying your first year at Griffith University. Complete a two or three-trimester diploma, and then jump with confidence into the second year of a selection of bachelor degrees at Griffith University*. Griffith College is on campus at Griffith University’s Mt Gravatt and Gold Coast campuses, so you are a part of the action of the University from day one.

Your College pathway to Griffith University

On successful completion of a Griffith College diploma, you will gain entry to the second year of the equivalent degree program at Griffith University.* Select which diploma and bachelor program you wish to study and receive one packaged offer for both programs.

We understand that the transition to university studies can be difficult, so we have a range of mentoring, learning and support services available to assist you to develop the skills necessary to successfully complete your program of study and thrive at university.

Griffith College has been the number one choice for more than 20,000 graduates. With lower entry requirements and a supportive learning environment, Griffith College is your pathway to successful further study.

Study areas

We offer 11 diploma programs that provide direct entry into over 50 different bachelor and double bachelor degrees at Griffith University.

- Business
- Criminology and Criminal Justice
- Design
- Educational Studies
- Engineering
- Health Care
- Health Sciences
- International Tourism and Hotel Management
- Information Technology
- Science
- Social and Psychological Science

Other pathways to Griffith University

Foundation Program

Griffith College also offers a foundation program which is a bridging course for students who need to study the equivalent of Australian Year 12. You’ll be trained in the knowledge and skills needed for successful university study and be able to acquire prerequisites for specific Griffith University degrees.

Masters Qualifying Program

The Griffith University Masters Qualifying Program (MQP) provides you with an opportunity to upgrade your prior study to meet the academic requirements for direct admission to a Griffith University masters program.

* On successful completion of a Griffith College diploma program and meeting Griffith GPA (grade-point average) entry requirements. Credit into Griffith University will depend on the degree and major chosen. Please see griffithcollege.edu.au for full progression outlines.

**What you will study**

The Masters Qualifying Program comprises one trimester of full-time study. The program aims to provide you with the knowledge, values and competencies required for successful completion of studies at postgraduate level in Australia. Once you successfully complete the Masters Qualifying Program and meet other relevant entry criteria, you can progress to one of the following Griffith University Masters degrees.

**Griffith Masters degrees(s)**

Griffith College, QIBT CRICOS Provider 01737F

For entry requirements, program outlines, progression requirements and other details, visit griffithcollege.edu.au

For more detailed information about credit, please refer to griffithcollege.edu.au/how-to-apply
Research at Griffith

As one of Australia's leading research universities, we are inspired and motivated by the pursuit of a better world in everything we do. When you choose Griffith, you are choosing a university working to answer society’s greatest questions through pioneering research that makes a real difference.

Research infrastructure
Griffith offers world-class facilities and resources for research candidates, and we continue to invest in campus developments to create the best possible environment and experience for our research community.

Collaboration and connection
We host more than 30 research centres and institutes across our campuses and, with more than 1,700 experts conducting research, we provide multidisciplinary and practical research supervision.

Support to succeed
We’ll support you through your entire research journey, from orientation to planning your research degree, research methodology, training workshops, writing and publishing, and presenting your research.

Above world standard
Latest analysis of Excellence in Research for Australia found 99% of our research outputs were in disciplines rated at world standard or above.

Research with impact
At Griffith University, we’re driven by the pursuit of a brighter future.

Malaria vaccine
The Institute for Glycomics is developing and manufacturing a world-leading malaria vaccine—PlasProtecTTM— which is now at human-trial stage.

Discovering the world’s oldest rock art
Our researchers have discovered what may be the world’s oldest known cave painting—earning the team a place in Science magazine’s top-10 scientific breakthroughs of 2020.

Leading aerospace innovation and discovery
Using our unique manufacturing and 3D printing capabilities, our experts are working with key industry partners to research, design and prototype a new class of low Earth orbit satellite due to launch from Queensland, Australia in 2023.

Tackling water quality threats to the Great Barrier Reef
Our researchers are testing the role wetlands play in improving the water quality of the Great Barrier Reef, to directly influence Australian Government policy.

Advanced Design and Protoyping Technology Institute (ADaPT)
In collaboration with industry, Griffith researchers are pushing the boundaries in advanced design, prototyping and new materials to engineer next-generation biomedical and industrial applications.

Climate action
Griffith is taking a step beyond research into practice, to work with communities on addressing the motivations of climate action, how to transition to a zero-carbon resilient future, and how to ensure climate justice.

Reimagining disability
Through a University-led alliance, Griffith is collaborating with people with disability, industry, government, health and social service providers that will look to solve the most pressing real-world challenges for people living with disability.

Research study options

Doctor of Philosophy (PhD)
The PhD is Griffith’s premier research training degree. It is awarded for a thesis, drafted under supervision, which makes an original, significant, and extensive contribution to knowledge and understanding in your field of study. A PhD is available across all schools and disciplines.

Griffith also offers:
- Doctor of Philosophy (by prior publication)
- professional Doctorates (psychology, education, musical arts and visual arts).

Master of Philosophy
The Master of Philosophy (MPhil) is awarded for a thesis, drafted under supervision, which presents original research and demonstrates both knowledge of a research topic and discipline.

It is shorter than a PhD and is available across all schools and disciplines.Griffith also offers specialist Masters by Research (combine coursework with professional and/or artistic practice).

Find a supervisor
Griffith researchers provide multidisciplinary and practical solutions for industry, government and community. With them, you can explore research answering the critical questions of the future and translating research outcomes into real-world solutions.

Once you have determined your research area, you need to find and connect with a potential supervisor to discuss your research proposal.

The best way to find and contact a potential supervisor is to search Griffith Experts, an online database of all our academics.

experts.griffith.edu.au
How to apply

At Griffith University, we understand that everyone’s experience is different. If you are ready to take your research studies or career to the next level, whatever your circumstances, we can help you achieve your goals.

01
Choose your preferred research degree and check entry requirements.
If you don’t meet the direct entry requirements for a research degree, you may consider a Graduate Diploma of Research Studies, which provides an alternative pathway into such programs.

02
Consider the cost of study and search for funding options.
This could include scholarships or sponsorships.

03
Choose a research topic and develop a research proposal.
Narrow your focus to a single research topic. Depending on your area of study and research, you may identify a research topic or project from within an established research team, or you might collaborate with an external organisation.

04
Find a supervisor.
You must have identified a suitable supervisor before you can apply. Once you have connected with your prospective supervisor, it is important that you seek their input and advice on your research proposal.

05
Apply.
When you’re ready, apply online or via a registered recruitment representative.

Find out more at:
griffith.edu.au/research-study

Intake dates
Griffith offers you multiple intake dates to commence your PhD or Master of Philosophy.
2024
Intake 1: 26 February 2024
Intake 2: 22 April 2024
Intake 3: 8 July 2024
Intake 4: 14 October 2024

‘I’ve been able to work and network with some of the best researchers in the field, and they often have work opportunities for students. The lecturers’ passion for what they are doing really shows, and that energy spreads and infects all the students.’

Pauline (Sweden)
PhD Candidate, School of Environment and Science

Architecture

Bachelor of Architectural Design

Start Trimester: Mar, Jul
Duration: 3F
Campus: G
Honours: N/A
Credits: 240
IELTS: 6.5
Pathway: S
CRICOS: 1492

Construction management

Bachelor of Construction Management (Honours)

Start Trimester: Mar, Jul
Duration: 4F
Campus: G
Honours: ✓
Credits: 320
IELTS: 6.5
Pathway: N/A
CRICOS: 1598

What you will study

Construction managers direct and manage complex projects, ensuring they are completed safely, on-time and on-budget. This degree will equip you with in-depth theoretical knowledge and modern digital skills for the future to meet the demands of this role. You’ll learn about construction and building practices, the fundamentals of sustainable construction, project development and management, construction economics, and site and safety operations in a global context. In your final year, you’ll develop your professional skills through a 12-week industry placement in a construction practice environment. You will also complete a thesis aligned with your professional practice experience and the wider needs of industry.

Professional accreditation

This degree is provisionally accredited by the Australian Institute of Building (AIB). The requirements of the Chartered Institute of Building (CIOB) in the UK and the Australia Institute of Quantity Surveyors (AIQS) have been considered in the development of this degree.

Work integrated learning

Students must complete a 40 credit point Work Integrated Learning course in their final year. This Work Integrated Learning course can be taken as either an Industry Affiliates Program (IAP) or a team-based Industry Project. IAP has been designed to integrate students into the workplace through the completion of an industry-based project. It is designed to benefit both the student as well as the industry partner. IAP requires both an industry professional supervisor and an academic supervisor.

Total Work Placement (hours): 442 hours.

Career opportunities

You’ll be prepared for a rewarding career as a construction professional. Your industry knowledge, combined with strong skills in problem-solving, decision-making, communication and technology, will prepare you for leadership roles across the full spectrum of construction projects. You may find employment opportunities in positions such as construction manager, site manager and supervisor, project manager, cost estimator, construction economist, property developer, manager and contract administrator.

Urban and environmental planning

Bachelor of Urban Planning (Honours)

Start Trimester: Mar, Jul
Duration: 4F
Campus: G, N
Honours: ✓
Credits: 320
IELTS: 6.5
Pathway: S
CRICOS: 1658

Entry requirements:

Any bachelor degree or higher OR Griffith Graduate Certificate in Urban and Environmental Planning (4.5 GPA).

Research degrees

Higher degrees by research

Doctor of Philosophy

Start Trimester: Feb, Apr, Jul, Oct
Duration: 2–4F
Campus: All
Honours: 320
Credits: 6.5
IELTS: O
Pathway: 6001
CRICOS: 062266F

Master of Philosophy

Start Trimester: Feb, Apr, Jul, Oct
Duration: 1–2F
Campus: All
Honours: 160
Credits: 6.5
IELTS: O
Pathway: 5001
CRICOS: 005100M

Entry requirements:

Higher degrees by research have four intakes per year—February, April, July and October.

The application schedule is available at: PhD degrees.griffith.edu.au/Program/6001/HowToApply/International, MPhil degrees.griffith.edu.au/Program/5001/HowToApply/International

Refer to degrees.griffith.edu.au for detailed fee information.

‘The next step is to extend this dream to deliver my skills and design for people around the world, helping to save our planet and enhancing people’s lifestyles. All the knowledge that I got during my research study, engaging with industry and projects that touch people’s lives, especially in buildings and the built environment, motivated me to design and work on my pet project, the ‘Smart Planter Box’.’

Majed (Jordan)
PhD graduate and inventor of the Smart Planter Box
Business and government

Ranked #1 in Australia for Hospitality and Tourism Management in the 2022 ShanghaiRanking Global Ranking of Academic Subjects.

Designed with industry

Our Bachelor of Business has been designed in consultation with industry professionals, and draws on our cutting-edge research to bring you a new, forward-looking degree with the latest and smartest business thinking.

Progressive values

The modern business practices of adaptivity, creativity, diversity and sustainability are embedded in our degrees, so you graduate with the skills needed for the rewarding opportunities that the new economy brings.

What you will study
Griffith’s Bachelor of Business is an alternative to more traditional business degrees, combining new skills, values, and opportunities relevant for the new economy. It’s a whole new way of thinking for a whole new generation of business professionals.

Discovery year
In your first two trimesters, you’ll complete six discovery subjects that are based in the core skills critical to successful business operations (including analytics, accounting, economics, management, organisational psychology, marketing, international business) and apply them to practical challenges using the principles of sustainability, inclusiveness and equity—values that shape public debate today. You’ll also be part of an innovative new approach to learning, designed to give you a 360-degree view of business strategy.

Honoring your skills
In your second two trimesters, you can choose to major (a focus of study within your degree) in the field of your choice. The new Bachelor of Business offers you a wider choice, now with more than 20 majors. You can combine majors from different disciplines; for example, you can graduate with a Bachelor of Business in Accounting and Management or a Bachelor of Business in International Business and Economics.

Majors
As a student of our Bachelor of Business, you can choose from an extensive list of majors to specialise your knowledge and skills. Alternatively, you can choose to be an all-rounder and not major—either way, you’ll be able to tailor your study to suit you.

- Accounting
- Asian Business
- Asian Engagement
- Behavioural Science
- Business Analytics
- Economics
- Employment Relations
- Events
- Finance
- Financial Planning
- Political Science and International Relations
- Human Resource Management
- Innovation and Entrepreneurship

Languages
Add one of the below languages to your degree as a second major or minor:

- Chinese
- French*
- German*
- Indonesian*
- Italian
- Japanese
- Korean*
- Modern Greek^*
- Spanish

^ Available at Nathan campus only via cross-institutional study with The University of Queensland.
^ Available online via cross-institutional study with Flinders University, South Australia.

Professional recognition
Depending on your major, you may be eligible to join the following professional bodies:

- Australian Marketing Institute
- Australian Human Resources Institute (AHRI)
- Chartered Financial Analyst Institute (CFA)
- Chartered Financial Analyst Institute (CFA)
- Australian Society of Sports Administrators
- Economic Society of Australia (Qld)
- Australian Human Resources Institute (AHRI)
- Australian Institute of Management
- Australian Institute of Public Relations
- Institute of Public Administration Australia (IPAA)
- Institute of Public Accountants (IPA)
- International Business
- Marketing
- Management
- Logistics and Supply Chain Management
- Real Estate and Property Development
- Sport Management
- Sustainable Business
- Taxation
- Tourism and Travel

Griffith Business School is an accredited member of the Association to Advance Collegiate Schools of Business (AACSB) – International.

AACSB Accreditation is known worldwide as the longest standing, most recognised form of professional accreditation an institution and its business programs can earn.

As an international student, building my professional career is essential and Griffith University has provided students like me services such as the BusinessPLUS program, and Careers and Employment services, which offers a range of workshops and events students can benefit from. I am grateful to be part of a community that does not only focus on helping a student grow as a professional but also as an individual.

Griffith University 2024 International Student Guide
Tourism and hospitality management

Graduate Certificate in International Tourism and Hospitality Management
Entry requirements: Any bachelor degree or higher OR relevant work experience.

Master of International Tourism and Hospitality Management
Entry requirements: Any bachelor degree (4.0 GPA) or higher.
Career opportunities
You will be prepared to take advantage of new opportunities in the rapidly expanding services industry including:
- convention and event organisations
- international tourism and hotel management roles
- government departments
- hospitality entertainment services
- retail travel
- theme parks and attractions
- tourism authorities.

What you will study
Griffith is a leader in this field, ranking #1 in Australia for Hospitality and Tourism Management in the 2022 ShanghaiRanking Global Ranking of Academic Subjects. The Master of International Tourism and Hospitality Management helps graduates prepare for the next step in their career in the global tourism and hotel industry. You will develop skills essential for managerial-level graduates including advanced business acumen, strategic insight, high-level management skills and specialised industry knowledge, underscored by sustainability principles.

As a graduate, you will emerge as a confident leader, sensitive to the complex issues and challenges within the global tourism and hotel industry.

Finance and financial planning

Graduate Diploma of Finance
Entry requirements: Any bachelor degree or higher OR relevant work experience.
* Trimester 3 (November entry) part-time and online only.

Master of Finance
Entry requirements: Any bachelor degree (4.0 GPA) or higher.

Graduate Certificate in Financial Crime Investigation and Compliance
Entry requirements: Any bachelor degree or higher OR relevant work experience.

Graduate Diploma of Financial Crime Investigation and Compliance
Entry requirements: Any bachelor degree or higher or OR relevant work experience.
* Trimester 3 (November entry) part-time and online only.

Graduate Certificate in Financial Planning
Entry requirements: Any bachelor degree (4.0 GPA) or higher OR relevant work experience.
* Trimester 3 (November entry) part-time and online only.

Graduate Diploma of Financial Planning
Entry requirements: Any bachelor degree (4.0 GPA) or higher OR relevant work experience.
* Trimester 3 (November entry) part-time and online only.

Master of Financial Planning
Entry requirements: Related bachelor degree (4.0 GPA) or higher OR relevant work experience.
* Trimester 3 (November entry) part-time and online only.

Master of Financial Technology
Entry requirements: Any bachelor degree (4.0 GPA) or higher.
Majors: Finance; Data Analytics; Security
* 2 years is a standard pathway: If you do not have a background in finance or IT, you will complete the standard pathway (2 years) which includes a compulsory foundation component.
* 1.5 years is an advanced standing pathway: If you have a prior finance or IT degree you will follow the advanced standing pathway (1.5 years) and skip the foundation course component.

Pathway option
- Masters Qualifying Program

What you will study

In this degree, you’ll learn about the causes of crime and society’s responses through a justice system while drawing on knowledge and insights from many fields of study, including psychology, law, sociology, politics and social work. In your first year, you’ll learn about the current trends in crime in Australia and overseas, and explore proven ways that crime can be examined, prevented and reduced. You’ll participate in courses that include the police, courts and criminal law, and the role mental health plays in crime. In your second and third years, you’ll choose from elective courses in policing, corrections, working with offenders and victims, counter-terrorism, or crime analysis and investigation. You can also choose non-criminology electives.

Career opportunities

You’ll be prepared to pursue employment opportunities in policing and security, intelligence, probation and parole, child protection, crime analysis, courts and justice services, crime prevention and regulatory agencies. When you graduate, you’ll be equipped for a career in areas such as law enforcement, working directly with offenders or victims in welfare and counselling roles, and in criminological research and policy roles.

Job-ready skills

Throughout your studies, you’ll gain and develop industry-relevant skills and experience working on real projects. You will build on this part of your degree through a capstone course focusing on addressing a current local community crime problem.

In your final year, you’ll have the opportunity to complete a professional placement experience through the Criminology Undergraduate Research Internship Program. You’ll be mentored one-on-one by criminology experts and can select an internship to suit your interests from a diverse range of research projects.

Honours available

Honours is available for this degree (through an additional year of study).

Double degree option(s)

Combine Criminology and Criminal Justice with Psychology Science; Forensic Science; Human Services; Political Science; Information Technology; and International Relations.

Pathway option(s)

- Diploma of Criminology and Criminal Justice

* Higher degrees by research have four intakes per year—March, April, July and November.

The application schedule is available at: PhD: degrees.griffith.edu.au/Program/6001/HowToApply/International, MPhil: degrees.griffith.edu.au/Program/5001/HowToApply/International
Refer to degrees.griffith.edu.au for detailed fee information.

‘I studied conflict and how professionals, specifically mediators, need to be able to develop rapport, build trust, and display professionalism to be effective. My research argued that each of these three primarily rely on nonverbal communication: body movement, environmental factors, touch, tone, and appearance. My PhD work further suggests that if what I found helps mediators during conflicts, the findings can also assist others working in crisis, disputes, and conflict as well. My PhD work at Griffith created the foundation of the research and work I continue to do today.’

Jeff (USA)
Former detective in the New York City Police Department and Griffith University PhD graduate

Innovative teaching
At Griffith, we’re moving education forward in high-priority areas including online learning, digital coding, science, maths, literacy, special needs, psychology and early childhood education.

Flexible study
We offer the most innovative, industry-relevant, employment-focused degrees with the flexibility to choose your pathway once you enter our degree.

Powerful partnerships
As a student, you’ll benefit from our strong relationships with schools and industry partners. You’ll undertake professional experience each year of your teaching degree, have access to community field studies, and the chance to engage in international experiences.

### Undergraduate degrees

#### Teaching

**Bachelor of Education**

- Start: Mar, Jul
- Duration: 3.5F
- Campus: G, L, M
- Credit pts.: 320
- IELTS: 6.5
- CRICOS: 1567

This program prepares students to teach either in primary or secondary settings.

**Primary**

- Majors: Early Childhood Education (L); Health and Physical Education (G); Special Needs Education (M).
- Minor: English Education (M,G,L); Mathematics Education (M,G); Science Education (M,G).

**Secondary**

- Majors: Learning Support (M), Teaching Area Content 1: Biology (M,G); Chemistry (G, M); English (M,G); Digital Technologies (G); Food and Nutrition (G); Geography (M); History (M,G); Mathematics (M,G); Visual Arts (M), Teaching Area Content 2: Design Technology (G); Drama (M); English (M,G); Health and Physical Education (M,G); History (M,G); Mathematics (M, G); Physics (other teaching area must be Mathematics (M,G), Psychology (M,G).

**Entry requirements:**

- Relevant work experience.
- Bachelor degree or higher OR relevant work experience.

* 4 years full-time equivalent offered over 3.5 years.

#### Postgraduate degrees

##### Education

**Graduate Certificate in Professional Learning**

- Start: Mar, Jul
- Duration: 1F
- Campus: M, O
- Credit pts.: 40
- IELTS: 6.5
- CRICOS: 3339

**Entry requirements:**

- Any bachelor degree or higher.

**Master of Education**

- Start: Mar, Jul
- Duration: 2F
- Campus: M, O
- Credit pts.: 160
- IELTS: 6.5
- CRICOS: 5735

**Majors:**

- Autism Studies
- Early Childhood Studies (not accredited with ACECQA)
- Educational Leadership
- Educational Technology
- Educational Studies
- Learning and Professional Development
- Special Needs Education
- Teaching of English to Speakers of Other Languages (TESOL)
- Wellbeing in Education.

**Entry requirements:**

- Bachelor degree or higher OR relevant work experience.

**Career opportunities**

- You will be able to meet individual professional learning and research development needs. The degree also allows you to gain significant professional advantages to support advancing your education career.

**Pathway option(s)**

- For students interested in undertaking doctoral studies, this program provides a Research major that articulates with the Master of Education and Professional Studies Research (5608) and onto the Doctor of Philosophy (PhD) or Doctor of Education (6022).

For more information visit [degrees.griffith.edu.au](http://degrees.griffith.edu.au).

##### Special needs education

**Graduate Certificate in Autism Studies**

- Start: Mar, Jul
- Duration: 0.5F
- Campus: O
- Credit pts.: 40
- IELTS: 6.5
- CRICOS: 3270

**Entry requirements:**

- Any bachelor degree or higher OR relevant work experience.

**Master of Autism Studies**

- Start: Mar, Jul
- Duration: 1F
- Campus: O
- Credit pts.: 80
- IELTS: 6.5
- CRICOS: 5595

**Entry requirements:**

- Graduate Certificate in Autism Studies (4.5 GPA) OR Graduate Certificate in Disability Studies (or equivalent).

**Graduate Certificate in Special Needs Education**

- Start: Mar, Jul
- Duration: 1F
- Campus: O
- Credit pts.: 40
- IELTS: 6.5
- CRICOS: 3020

**Entry requirements:**

- Any bachelor degree or higher.

**Teaching**

**Master of Primary Teaching**

- Start: Mar
- Duration: 1.5–2F
- Campus: G, M, O
- Credit pts.: 160
- IELTS: 7.5
- CRICOS: 5587

**Entry requirements:**

- Non-Education bachelor degree or equivalent (GPA 4.0 or higher); plus submission of 1000-word personal statement and non-academic entry requirements.

**Master of Secondary Teaching**

- Start: Mar
- Duration: 1.5–2F
- Campus: G, M, O
- Credit pts.: 160
- IELTS: 7.5
- CRICOS: 5700

**Entry requirements:**

- Non-Education bachelor degree or equivalent (GPA 4.0 or higher); plus submission of 1000-word personal statement and non-academic entry requirements.
Postgraduate degrees

Teaching of English to Speakers of Other Languages

Graduate Certificate in Teaching of English to Speakers of Other Languages
Mar*, Jul*, Nov* 0.5F N, O 40 6.5 A N/A 3016 006684G

Master of Teaching of English to Speakers of Other Languages
Mar, Jul, Nov* 1–2F N, O 160 6.5 A N/A 5727 097291D

Entry requirements:

* Any bachelor degree or higher OR a combination of alternative admission criteria such as formal, informal and non-formal learning deemed to be equivalent to a bachelor degree or higher.

What you will study
The Master of Teaching English to Speakers of Other Languages (TESOL) provides academic and pedagogical foundations for professionals who are or will be involved in work that focuses on the learning and teaching of English as a second or foreign language. The degree provides a qualification in the teaching of English in a variety of contexts with a strong focus on teaching in the Asia-Pacific region.

Entry requirements:

* Trimester 3 (November entry) not available to students entering with advanced standing.

Career opportunities
Graduates may find employment opportunities locally or overseas, teaching English as a second or foreign language, or working in leadership positions in language teaching institutions. You may find opportunities at TAFE or technical colleges, university language centres, private language schools and language teaching institutions for migrants.

Research degrees

Education and professional studies

Master of Education and Professional Studies Research
Mar, Jul 1F G, M, O 80 6.5 O 5608 083101G

Entry requirements:

A postgraduate qualification with a GPA of at least 5.0 in a related discipline OR a bachelor degree with at least Second Class Honours (Division B) in a related discipline.

Pathway:

to the Doctor of Education or Doctor of Philosophy.

Education

Doctor of Education
Mar, Jul 3F G, L, M, O 240 6.5 O 6022 082410C

Entry requirements:

A recognised bachelor degree with a suitable class of research honours (not less than an upper second) or its equivalent as determined by the Dean, Griffith Graduate Research School and professional engagement pertinent to the degree over a period totaling not less than three years. To provide evidence for establishing equivalence, applicants are asked to complete a professional portfolio (using the template provided by the Griffith University School of Education and Professional Studies) which is to be submitted with the appropriate supporting documentation appended.

Higher degrees by research

Doctor of Philosophy
Feb, Apr, Jul, Oct* 2–4F All 320 6.5 O 6001 062206F

Master of Philosophy
Feb, Apr, Jul, Oct* 2F All 160 6.5 O 5001 005100M

* Higher degrees by research have four intakes per year—February, April, July and October.

The application schedule is available at: PhD: degrees.griffith.edu.au/Program/6001/HowToApply/International, MPhil: degrees.griffith.edu.au/Program/5001/HowToApply/International

Refer to degrees.griffith.edu.au for detailed fee information.

‘After being at Griffith I felt secure in my ability to teach, and being able to put what I learnt into practice. I am passionate about teaching, exchanging experiences with my students and helping them to achieve their goals. I couldn’t see myself doing anything else.’

Flavia (Brazil)
Master of Teaching of English to Speakers of Other Languages (TESOL)
Strong industry links
Be job-ready with opportunities for industry placements and the chance to work on industry projects.

Focus on innovation
We prepare our graduates to create smarter solutions for the future, fostering professional skills and an entrepreneurial approach.

Leaders in aviation
We have over 25 years of experience producing qualified graduates for the international aviation industry which is growing rapidly as the number of travellers continues to expand.

* 3 years full-time equivalent offered over 2 years OR 1.5 years full-time (Professional Entry).

What you will study
It takes specialist management skills to keep the aviation industry flying, in operational business roles and in the public sector. In recognition of the unique demands of aviation, this degree has been designed alongside industry to ensure we produce graduates with the core competencies that employers demand. This includes knowledge in airport planning, operations and management, human factors for aviation managers, security and risk management, government-business relations, business data analysis, and more. As a graduate, you will have the tools and people skills needed to succeed in this complex and dynamic industry.

Grow your network
Building strong connections is an integral part of any business. During your studies, you can get to know your peers and foster lifelong relationships through clubs such as the Griffith University Aviation Association (GUAva). Dedicated to all things aviation, the club enhances student experiences by providing opportunities for students to participate in activities such as flying camps, social events and hangar tours. The club also supports the aviation Mentoring Aviators Through Educational Support (MATES) program through weekly BBQs and industry guest speakers, funding for inter-flight competitions and hosting an annual awards night.

Career opportunities
As a graduate of this degree, you'll be equipped for employment in aviation management. You will also be able to apply your management skills to many areas of the aviation industry, including airlines, airports, air traffic service providers, maintenance and repair organisations, and government agencies such as the Civil Aviation Safety Authority (CASA) and the Australian Transport Safety Bureau (ATSB).

Pathway option(s)
- Diploma of Business

</tr>
</tbody>
</table>

What you will study
Study with the No. 1 university in Queensland for computer science. In this degree, you'll combine the fundamental principles underpinning computer science with the practical development of technology skills. You'll be equipped to work across platforms to solve complex problems with intelligent systems and software. You'll study computer architecture and algorithms, intelligent systems, robotics, programming for web, mobile and embedded applications, big data visualisation and analytics, computer forensics and security, cyber protection, computer architecture, software testing, and security. As a graduate, you'll be prepared for jobs such as a software engineer, web and mobile applications developer, data analyst and engineer, systems analyst and architect, games developer, cyber security engineer and computer science researcher.

Majors
Students of this degree may choose to specialise in one or both of the below majors:
- Data Science and Artificial Intelligence
- Software Development

Alternatively, you can gain specialist knowledge across multiple areas by choosing the 'no major' option.

Professional recognition
The Bachelor of Computer Science is conditionally accredited by the Australian Computer Society. You may also be eligible for membership of international professional bodies such as the Institute of Electrical and Electronics Engineers (IEEE), Australian Computer Society and the Association for Computing Machinery.

Data science
Data science can now be studied as a major in the Bachelor of Science and Bachelor of Science Advanced (Honours) degrees, or as part of a double degree with Engineering, Science, Business or Environmental Science. This will allow you to develop a specialised skill set that can be applied to your chosen major of study, and broaden your career options.

Entry requirements:
Any bachelor degree (4.5 GPA) or higher.

Career opportunities:
- Enterprise Architecture: Business architects; information architects; enterprise infrastructure and security architects; or enterprise solutions architects.
- Data Analytics: You will gain skills to handle data and manage visualisation as well as understand and develop strategies to address issues related to data analysis techniques which are valuable for a wide range of organisations.
- Information Systems and Business Analysis: Project managers; program managers; business analysts; change managers; data analysts; quality managers; or program directors. You may find opportunities in large multinational organisations, such as in the mining industry, as well as in government.
- IT Services: You will be prepared for work as a technical support officer, ICT consultant, and support engineer and system analyst in industries and government agencies.

Networking and Security: Development operations specialists; network security engineers; security network consultants; security managers; or security applications specialists.

Software Development: Developers; test engineers; web developers; or researchers in government research centres.

Recognition/accreditation:
A renewal of professional accreditation for 2023 onward is currently in progress with the Australian Computer Society.

Pathway option:
- Masters Qualifying Program

For more information go to griffith.edu.au/college.

Our IT degrees are based on a strong theoretical foundation with practical experiences to make you industry-ready.

Research degrees

Graduate Diploma of Research Studies in Engineering

Entry requirements:
- Related bachelor degree or higher (5.0 GPA).
- Pathway: to the Doctor of Philosophy or Master of Philosophy.

Graduate Diploma of Research Studies in Information Technology

Entry requirements:
- Related bachelor degree (4.5 GPA) or higher.
- Pathway: to the Doctor of Philosophy or Master of Philosophy.

* Higher degrees by research have four intakes per year—February, April, July and October.

The application schedule is available at PhD: degrees.griffith.edu.au/Program/6001/HowToApply/International, MPhil: degrees.griffith.edu.au/Program/5001/HowToApply/International.

Refer to degrees.griffith.edu.au for detailed fee information.

‘Other universities offered computer science double degrees, but I wanted to code. Griffith had the best program for software development. Griffith gave me all the tools and skills I need to manage complex and ambitious software projects’

Mauricio (Colombia)
Master of Information Technology
Humanities, languages and social science

Future freedom
These degrees will give you the freedom to work across multiple professions, fields and disciplines. You will be equipped with the skills to master the future world of work, where jobs are continually evolving, and employers demand confident, critical thinkers and communicators.

Ranked in the top 200 worldwide
for Sociology in the 2022 ShanghaiRanking Global Ranking of Academic Subjects.

Access to internships and practical experiences
You will have access to a range of internships, practical experiences and overseas travel opportunities. You will enhance your knowledge, skills and networks, with dedicated placement officers to help you pursue your passion and professional ambition.

Practical and industry placements

You’ll combine classroom learnings with clinical training and practical placements almost from the moment you start your health degree. You’ll build your practical skills while developing your professional network, setting you up for success after graduation.

Graduate in demand

In many areas of healthcare, Griffith graduates are selected as graduates of choice by employers. Our broad health expertise gives you the opportunity to interact with all aspects of the healthcare profession, equipping you to launch your career in this fast-growing industry.

Practising educators

Griffith’s teachers have been recognised with more awards, citations and fellowships at the Australian Awards for University Teaching than any other university since 2012, so you can rest assured you are learning from experts with experience.

### Nutrition and dietetics

| Bachelor of Nutrition and Dietetics | Mar, Jul | 4F | G | √ | 320 | 7.0 | H2 | √ | 1355 | 067746D |

Graduates are: eligible to become members of Dietitians Australia and can apply to join the Accredited Practising Dietitian (APD) program.

| Bachelor of Nutrition and Dietetics (Honours) | Mar, Jul | 4F | G | √ | 320 | 7.0 | H2 | √ | 1436 | 084289E |

Entry requirements: Admission into Honours is via completion of Year 1, 2 and Year 3/Tri 1 of Bachelor of Nutrition and Dietetics with 5.0 GPA.

Graduates are: eligible to become members of Dietitians Australia and can apply to join the Accredited Practising Dietitian (APD) program.

### Occupational therapy

| Bachelor of Occupational Therapy (Honours) | Mar | 4F | G, N | √ | 320 | 7.0 | H4 | √ | 1662 | 084288F |

Graduates are: eligible to apply for registration as an occupational therapist with the Occupational Therapy Board of Australia (subject to meeting any additional requirements).

### Paramedicine

| Bachelor of Paramedicine | Mar | 3F | G | √ | 240 | 7.0 | H5 | √ | 1533 | 094591E |

Graduates are: eligible to apply for registration as a paramedic with the Paramedicine Board of Australia via the Australian Health Practitioners Regulation Agency (AHPRA) subject to meeting any additional requirements. Graduates will also be eligible to become a member of the Australasian College of Paramedicine.

### Pharmacy

| Bachelor of Pharmacy | Mar, Jul | 4F | G | √ | 320 | 7.0 | H8 | √ | 1395 | 077649M |

#### What you will study

This degree will put you on the path to a career in the pharmacy, pharmaceutical, biotechnology or nutraceutical industries. You’ll learn through practical experience in state-of-the-art facilities, including immersive virtual learning environments with formulation, pharmacology and analytical laboratories. This degree enables you to integrate the science of pharmacy with clinical practice.

#### Practical placements

You’ll expand your knowledge and skills during professional practice placements in both hospital and community pharmacy settings.

#### Professional recognition

Graduates of this program will be eligible to apply for provisional registration as an Intern Pharmacist with the Pharmacy Board of Australia via the Australian Health Practitioners Regulation Agency (AHPRA), subject to meeting any additional board requirements, to complete a one-year internship prior to applying for general registration as a pharmacist.

#### Career opportunities

Griffith pharmacy graduates are held in very high regard, with a reputation for being work-ready, with practical skills. You’ll be prepared for a career in community and hospital pharmacy and medication management. You’ll also be able to apply for careers in the pharmaceutical, biotechnology, nutraceutical and related industries in areas including management, sales, marketing, business development, and local and national government agencies related to medicine use and regulation.

| Bachelor of Pharmacy (Honours) | Mar, Jul | 4F | G | N/A | 320 | 7.0 | H8 | √ | 1614 | 0100240 |

Entry requirements: Must complete year 1 and 2 of Bachelor of Pharmacy with 5.0 GPA and 5.0 in 2013AHS.

| Bachelor of Pharmacology and Toxicology | Mar, Jul | 3F | G | √ | 240 | 6.5 | S | √ | 1528 | 087743G |

**Major(s):** Pharmaceutical Industry; Pre-Clinical; non-major option.

### Physiotherapy

| Bachelor of Physiotherapy | Mar | 4F | G, N | √ | 320 | 7.0 | H5 | √ | 1589 | 094399G |

| Bachelor of Physiotherapy (Honours) | Mar | 4F | G, N | √ | 320 | 7.0 | H5 | √ | 1590 | 094397G |

Entry requirements: Year 1 and 2 of Bachelor of Physiotherapy with 5.0 GPA.

### Psychology and counselling

| Bachelor of Counselling | Mar, Jul, Nov | 3F | G, M | N/A | 240 | 6.5 | S | √ | 1548 | 090581F |

**Accreditation:** Our Bachelor of Counselling is accredited by the Psychotherapy and Counselling Federation of Australia (PACFA) and the Australian Counselling Association (ACA).

| Bachelor of Psychological Science | Mar, Jul, Nov | 3F | G, M | √ | 240 | 6.5 | S | √ | 1012 | 058555G |

| Bachelor of Psychology (Honours) | Mar, Jul, Nov | 4F | G, M | √ | 320 | 6.5 | H5 | √ | 1014 | 033987E |

Graduates are: eligible to apply to undertake postgraduate studies in psychology. You may also be eligible to apply for associate membership with the Australian Psychological Society. For further information on provisional or general registration as a psychologist, refer to the Psychology Board of Australia.

**International students or students for whom English is not the first or native language should refer to the Psychology Board of Australia for information on the required IELTS score for provisional registration as a psychologist.**

### Public health

| Bachelor of Public Health | Mar, Nov | 3F | G | √ | 240 | 6.5 | S | N/A | 1440 | 09440DE |

Students and graduates are: eligible for membership of the Public Health Association of Australia (PHAA) and the Australian Health Promotion Association (AHPA).
### Social work

**Bachelor of Social Work**

**Start Trimester**: Mar, Jul 4F

**Duration**: G, L, E

**Credit pts.**: 320 7.0 S

**Elts**: ✓ 1372 056919A

**What you will study**

In this degree, you'll develop the skills to work with individuals, families, and communities in a broad range of roles including counselling and advocacy. You'll develop your critical thinking skills, and explore the values and ethics of the profession, including promoting social justice, diversity, equity, and a commitment to the rights and needs of the people with whom you work. You'll study society, counselling, human behaviour and development, policy, theory, practice and research, as well as specialised social work courses.

**Recognition/accreditation**

As a qualified social worker, you'll be eligible for membership of the Australian Association of Social Workers (AASW).

**Career opportunities**

Social workers make an impact on the lives of others and professional practice includes working with individuals, families and communities. Fields of practice include child welfare and families, health and mental health, counselling, youth and adolescents, working with Aboriginal and Torres Strait Islander peoples, people from diverse cultures including migrants and refugees, the disability field, older persons, employment and income support, policy development and research.

**Pathway option(s)**

- Diploma of Social and Psychological Science
  
  For more information go to griffith.edu.au/college.

**Honours available**

Honours is available for this degree.

*You will complete two 500-hour field placements in your degree.*

### Postgraduate degrees

#### Case management

**Graduate Certificate in Case Management**

**Start Trimester**: Mar, Jul, Nov 1P*

**Duration**: O

**Credit pts.**: 40 6.5 A

**Elts**: N/A 3050

**Entry requirements**: Any bachelor degree or higher OR related Certificate IV and relevant work experience OR relevant work experience.

* Part-time only.

#### Clinical leadership

**Graduate Certificate in Clinical Leadership**

**Start Trimester**: Mar, Jul

**Duration**: 0.5F

**Credit pts.**: 40 6.5 R

**Elts**: N/A 3280 083392C

**Entry requirements**: Related bachelor degree or higher OR relevant work experience.

#### Dentistry

**Master of Dentistry**

**Start Trimester**: Mar

**Duration**: 2F

**Credit pts.**: G 160 7.0 A

**Elts**: N/A 5703 094389G

**Entry requirements**: Griffith University Bachelor of Dental Health Science (1577) or Bachelor of Oral Health in Dental Science (1259).

**Accreditation**: The Master of Dentistry is accredited by the Australian Dental Council (ADC).

**Master of Clinical Dentistry**

**Start Trimester**: Mar

**Duration**: 1F

**Credit pts.**: G 80 7.0 R

**Elts**: N/A 5702 094390C

**Major(s)**: Implant Dentistry; Oral Surgery; Prosthodontics.

**Entry requirements**: Bachelor degree in dentistry or higher, professional registration, relevant work experience and interview.

**Doctor of Clinical Dentistry**

**Start Trimester**: Mar

**Duration**: 3F

**Credit pts.**: G 240 7.0 R

**Elts**: N/A 5699 094402D

**Major(s)**: Endodontics; Periodontics.

**Entry requirements**: Bachelor degree in dentistry or higher, professional registration, relevant work experience and interview.

#### Health services management

**Graduate Certificate in Digital Health**

**Start Trimester**: Mar, Jul

**Duration**: 1P*

**Credit pts.**: S, O 40 6.5 A

**Elts**: N/A 3336

* 1 year part time only.

**Graduate Certificate in Health Services Management**

**Start Trimester**: Mar, Nov

**Duration**: 0.5F

**Credit pts.**: S, O 40 6.5 A

**Elts**: N/A 3082 032140A

**Entry requirements**: Any bachelor degree or higher OR related diploma and relevant work experience OR relevant work experience.

**Master of Health Services Management**

**Start Trimester**: Mar, Nov

**Duration**: 1–1.5F*

**Credit pts.**: S, O 120 6.5 R

**Elts**: 5586 080408B

* Duration depends upon previous studies.

**Master of Advanced Health Services Management**

**Start Trimester**: Mar, Nov

**Duration**: 1.5–2F*

**Credit pts.**: S, O 160 6.5 R

**Elts**: 5627 082409G

**Entry requirements**: Related bachelor degree or higher.

Pharmacy

Master of Pharmacy

Entry requirements: Applicants with a bachelor degree from a recognised Australian university (or equivalent) in a science or health science discipline are eligible for admission into the Master of Pharmacy program if they meet the following criteria:
- Completed bachelor degree within the past 10 years;
- IELTS score of 7.0 or equivalent and no sub-score less than 6.5 (Direct Entry Program (DEP) at Griffith English Language Institute may be possible);
- Achieved an overall GPA greater than or equal to 5.0 (on a 7.0 point scale) calculated over the final 120CP (or equivalent) of undergraduate study;
- Passed these subjects at a tertiary level:
  - Biochemistry: one trimester duration or equivalent.
  - Chemistry: two trimesters duration or equivalent.
  - Pharmacology: one trimester duration or equivalent.
  - Physiology: one trimester duration or equivalent.
  - Statistics or mathematics: one trimester duration or equivalent.

Psychology

Master of Clinical Psychology

Entry requirements: A four year accredited degree in psychology or equivalent (as assessed by Australian Psychological Society), eligibility for provisional registration as a psychologist and satisfactory interview.

Graduates are: eligible for general registration as a psychologist with the Psychology Board of Australia (subject to meeting any additional requirements). Graduates are eligible to apply for the Psychology Board of Australia registrar program in the endorsed area of practice of clinical psychology.

Master of Clinical Psychology Practice

Entry requirements: A four year accredited degree in psychology or equivalent (as assessed by Australian Psychological Society), have held general registration as a psychologist for a minimum of 12 months or have completed an APAC accredited coursework program that meets Level 3 competencies in psychology and satisfactory interview.

Recognition/accreditation: Professional registration for graduates of this award with the Psychology Board of Australia is currently being sought for this program. Accreditation by the Australian Psychological Society (APAC) is also being sought.

Master of Professional Psychology

Entry requirements: A four year accredited degree in psychology or equivalent (as assessed by Australian Psychological Society), eligibility for provisional registration as a psychologist and satisfactory interview.

Graduates are: eligible for general registration as a psychologist with the Psychology Board of Australia (subject to meeting any additional requirements).

Public health

Graduate Certificate in Public Health

Entry requirements: Any bachelor degree or higher OR related diploma and relevant work experience OR relevant work experience.

Master of Public Health

Entry requirements: Related bachelor degree or higher OR have completed the Graduate Certificate in Public Health (3147) with a minimum GPA of 4.0 (using a 7.0 point scale).

* Duration depends on previous studies.

‘I chose Griffith for its contemporary, comprehensive nursing degree. Griffith is Australia’s No.1 ranked university for nursing and midwifery, and ranked fourth in the world. At Griffith, I can learn advanced nursing skills and techniques. Studying in Australia gives me more opportunities to learn and practise my clinical skills in a developed nursing industry.’

Music and performing arts

Globally renowned
Studying at one of Australia’s leading music and performing arts schools, you will benefit from our global connections and have the chance to follow in the footsteps of our internationally recognised alumni.

Experience the stage
Perform to audiences across a variety of performance settings. Learning from experienced experts, you will have the opportunity to showcase your skills in fully staged productions and engage with industry.

Acclaimed teachers
You will learn from and work closely with award-winning music and performing arts educators who are dedicated to providing a challenging yet supportive environment to explore and develop your own identity.

What you will study

This degree will expose you to diverse musical styles and idioms including classical, contemporary, jazz, popular, electronic, experimental and world music. You’ll also learn the broadly accepted musical skills of aural awareness training, music theory, critical listening, contemporary music-making practices and musicology. The numerous collaborative opportunities in this degree will prepare you for life as a professional musician capable of performing in professional orchestras, theatre and opera companies, media, entertainment and community arts organisations.

Audition

As part of your application you will need to submit a high-quality audition video online (through a secured link, for example, YouTube or Vimeo), or via a Dropbox link), dated and certified as being an unedited performance by the applicant and signed by the person in charge of the recording session OR a folio of work (composition applicants).

Refer to degrees.griffith.edu.au for details.

- Bachelor of Music in Performance (1413)
- Bachelor of Music in Composition (1414)

Students who have successfully completed the requirements of the three-year Bachelor of Music and wish to extend their studies, rather than graduate with the three-year qualification may apply (depending on grades in specific subjects) for a 4th year specialising in performance, creative practices or research.

Learn in state-of-the-art performance facilities with award winning professors and industry experts who are focused on preparing you for life as a musician.

In partnership with Queensland Performing Arts Centre (QPAC), students from the Queensland Conservatorium are able to train and study in-residence at QPAC year-round, with access to three purpose-built rehearsal spaces. Several Queensland Conservatorium alumni are currently starring as leads in some of the country’s most high profile and popular stage musicals.
Science and environment

Future-ready
The majority of future jobs growth is likely to be in science, technology, engineering and maths*, so you will have strong career prospects when you study sciences at Griffith.

Industry experience
Through our unique employability program, including final-year projects, you will gain practical experience with industry partners and be prepared to enter a wide range of careers.

Unique degrees
Our forensic science degree was the first in Australia and is the only one of its kind in Queensland. It is taught by internationally renowned experts and practicing forensic scientists. Our Bachelor of Science/Bachelor of Data Science double degree is also the only double degree of its kind in Queensland.

## What you will study

Science is at the heart of every facet of life. It is a fascinating career choice, with research and development at its core. In this degree, you'll study all areas of the sciences before specialising with your choice of major. You'll have the flexibility to decide what interests you the most, so you can shape a career you're passionate about in the biological, clinical, chemical, physical or mathematical sciences.

## Research with impact

You'll have access to experts from renowned research centres who are focused on solving the big problems that face us today. They're developing new drugs to combat cancer and infectious diseases, new sources of energy to power our society, and new ways to manage our waterways and improve food production.

## Majors

As a student of this degree, you can choose to specialise in up to two of the below areas:

- Applied Mathematics (Gold Coast, Nathan)
- Archaeology (Nathan)
- Biochemistry and Molecular Biology (Gold Coast, Nathan)
- Chemistry (Gold Coast, Nathan)
- Clinical Sciences (Nathan)
- Data Science (Gold Coast, Nathan)
- Geography (Gold Coast, Nathan)
- Marine Biology (Gold Coast)
- Microbiology (Nathan)
- Physics (Gold Coast, Nathan)
- Wildlife Biology (Gold Coast, Nathan)

Choosing to study a double major won't add extra time to your degree—you can still graduate in three years with your additional specialisation, and become a truly interdisciplinary scientist.

## Honours

At the end of your third year, providing you're eligible, you will have the option of applying for the Honours program. Honours is a fourth year of study, during which you'll undertake a major research project under the supervision of a member of the academic staff.

## Professional recognition

Depending on your major, you'll be eligible to join:

- Ausbiotech
- Australian Mathematical Society
- Australia and New Zealand Society for Cell and Developmental Biology
- Australian Institute of Food Science and Technology
- Australian Society for Biochemistry and Molecular Biology
- Australian Society for Medical Research
- Australian Society of Plant Scientists
- Royal Australian Chemical Institute
- Australian Institute of Physics.

## Career opportunities

Depending on your major, you'll be prepared for a wide array of careers in biological, chemical and clinical sciences as a microbiologist, pharmaceutical scientist, biochemist, chemist or biotechnologist; as a statistician, mathematician or physicist; or, with additional study, in a broader role—for example, as a science journalist, patent lawyer, or science teacher.

## Data science

Data science can now be studied as a major in the Bachelor of Science and Bachelor of Advanced Science (Honours) degrees, or as part of a double degree with Engineering, Science, Business or Environmental Science. This will allow you to develop a specialised skill set that can be applied to your chosen major of study, and broaden your career options.

## Bachelor of Advanced Science (Honours)

Postgraduate degrees

Climate change adaptation

**Graduate Certificate in Climate Change Adaptation**
- Start: Mar, Jul
- Duration: 0.5F
- Campus: O
- Credits: 40
- IELTS: 6.5
- Academic Pathway: A
- Program CRICOS: 3372

Entry requirements: Any bachelor degree (4.5 GPA) or relevant work experience.

**Master of Climate Change Adaptation**
- Start: Mar, Jul
- Duration: 2F
- Campus: O
- Credits: 160
- IELTS: 6.5
- Academic Pathway: A
- Program CRICOS: 5743

Entry requirements: Any bachelor degree (4.5 GPA) or higher.

Environment

**Master of Catchment Science**
- Start: Mar
- Duration: 2F
- Campus: O
- Credits: 160
- IELTS: 6.5
- Academic Pathway: A
- Program CRICOS: 5731

Entry requirements: Related bachelor degree or higher and 1 year of professional experience.

**Graduate Certificate in Integrated Water Management**
- Start: Mar, Jul
- Duration: 0.5F
- Campus: O
- Credits: 40
- IELTS: 6.5
- Academic Pathway: N/A
- Program CRICOS: 3346

Entry requirements: Related bachelor degree or related practical experience.

**Graduate Diploma of Integrated Water Management**
- Start: Mar, Jul
- Duration: 1F
- Campus: O
- Credits: 80
- IELTS: 6.5
- Academic Pathway: N/A
- Program CRICOS: 4194

Entry requirements: Related bachelor degree or related practical experience.

**Master of Environment**
- Start: Mar
- Duration: 1.5F
- Campus: O
- Credits: 120
- IELTS: 6.5
- Academic Pathway: R
- Program CRICOS: 5722

Entry requirements: Related bachelor degree or higher and practical experience.

Science

**Graduate Diploma of Clinical Physiology**
- Start: Mar
- Duration: 1F
- Campus: N
- Credits: 80
- IELTS: 6.5
- Academic Pathway: R
- Program CRICOS: 4168

Entry requirements: Related bachelor degree (GPA 5.0) or higher and interview.

**Master of Biotechnology**
- Start: Mar, Jul
- Duration: 2F
- Campus: N
- Credits: 160
- IELTS: 6.5
- Academic Pathway: R
- Program CRICOS: 5714

Entry requirements: Related bachelor degree (4.5 GPA) or higher.

Research degrees

**Graduate Diploma of Research Studies in Science**
- Start: Mar, Jul
- Duration: 1F
- Campus: G, N
- Credits: 80
- IELTS: 6.5
- Academic Pathway: R
- Program CRICOS: 4175

Entry requirements: Related bachelor degree (5.0 GPA) or higher.

**Master of Science**
- Start: Mar, Jul
- Duration: 2F
- Campus: N
- Credits: 160
- IELTS: 6.5
- Academic Pathway: O
- Program CRICOS: 5667

Entry requirements: Related bachelor degree (5.0 GPA) or higher.

Pathway: to doctoral research programs.

**Major(s):** Applied Mathematics; Archaeological Science; Biomedical Science; Bioscience; Chemistry; Environmental Science; Food Security; Forensic Science; Marine Science; Physics.

Higher degrees by research

**Doctor of Philosophy**
- Start: Feb, Apr, Jul, Oct*
- Duration: 2–4F
- Campus: G, N
- Credits: 320
- IELTS: 6.5
- Academic Pathway: O
- Program CRICOS: 6001

* Higher degrees by research have four intakes per year—February, April, July and October.

**Master of Philosophy**
- Start: Feb, Apr, Jul, Oct*
- Duration: 1–2F
- Campus: G, N
- Credits: 160
- IELTS: 6.5
- Academic Pathway: O
- Program CRICOS: 5001

* The application schedule is available at: PhD: degrees.griffith.edu.au/Program/6001/HowToApply/International, MPhil: degrees.griffith.edu.au/Program/5001/HowToApply/International

Refer to degrees.griffith.edu.au for detailed fee information.

---

‘Through Griffith, I have been offered an internship with the Australian Marine Conservation Society. This will help me network with people already working in marine biology and give me experience I can use when I apply for a job.’

Nikol (Czech Republic)
Bachelor of Science majoring in Marine Biology
Visual and creative arts

Specialist arts and design college
Founded in 1881, Queensland College of Art is the oldest art and design institution in Australia.

Australia's largest film school
Griffith Film School students learn from acclaimed industry figures, and have access to an exciting calendar of guest lectures and master classes.

Industry connections
Our industry partnerships and collaborations unlock opportunities of all kinds, with access to on-campus exhibitions, screenings, guest lectures and much more.

Find out more at: griffith.edu.au/visual-creative-arts
Animation

Bachelor of Animation

Major(s): Animating, Art Direction, CGI Technical Direction.

Portfolio: Applicants are required to submit a portfolio. Visit degrees.griffith.edu.au for details.

Design

Bachelor of Design

What you will study
If you're passionate about contemporary design opportunities and designing for a sustainable future, this degree will equip you with the creative and technical skills and insights to rise to future design challenges. It will prepare you for designing future products, services and systems in a creative and critical way. You'll gain a unique perspective on how the world impacts design and how design shapes the world around us. In partnership with leading experts and industry, you'll gain the skills to tackle real design problems and devise leading-edge strategies and solutions.

Majors
As a student of this degree, you can choose to specialise in one of the following areas:
· Immersive Design
· Interaction Design
· Interior and Spatial Design
· Product Design
· Visual Communication Design

Career opportunities
You'll be prepared to join the ranks of adventurous designers changing the way we interact with our environment and enhancing the way we live. You'll gain the industry experience, networks and knowledge needed to succeed in cutting edge design fields.

Double degree option(s)
Combine Design with: Business.

Professional recognition
As a graduate of this degree, you will be eligible for membership of the Design Institute of Australia.

Industry experiences
In this degree, you'll work on projects for real clients through our QCALive work-integrated learning studios, including our commercial design studios, Liveworm and Livespace.

Pathway option(s)
- Diploma of Design
For more information go to griffith.edu.au/college.

Honours available
Honours is available for this degree (through an additional year of study).

Games design

Bachelor of Games Design

Major(s): Animating; Art Direction; Computer Generated Imagery; Player Experience.

Portfolio: Applicants are required to submit a portfolio. Visit degrees.griffith.edu.au for details.

Visual arts

Bachelor of Visual Arts

Major(s): Painting, Photography, Sculpture.

### Film and screen

#### Master of Screen Production

**What you will study**

You will undertake practical work, integrated with screenings and discussions that will place your learning in a craft and creative context. The degree includes a strong collaborative component, which will help you develop a sound understanding of how your specialist role fits into the production process. You will learn through a problem-based curriculum, active learning in small groups, and practical work placements that give you an opportunity to combine theory and practice.

As a graduate, you will be equipped to begin practice in a wide range of film production settings. You will develop research skills that will help you respond effectively to the changing nature of the industry.

The degree may include the option of a supervised industry placement or internship.

#### Majors

Advanced Screen Production, Digital Filmmaking.

#### Career opportunities

You will be prepared for a wide range of employment opportunities in the screen production industries. You will be able to seek work professionally as a writer, producer, director, or as a specialist in key creative screen production disciplines such as cinematography, editing, sound design, postproduction, composition, production design, television, animation, games design, or visual effects.

**Entry requirements**

Major in Digital Filmmaking: Any bachelor degree or higher AND a portfolio and interview. Major in Advanced Screen Production: Any bachelor degree or higher or a combination of alternative admission criteria such as formal, informal and non-formal learning deemed to be equivalent to a bachelor degree or higher; AND a portfolio and interview.

#### Pathway option(s)

- **Masters Qualifying Program**
  
  For more information go to [griffith.edu.au/college](http://griffith.edu.au/college).

### Visual arts

#### Graduate Certificate in Visual Arts

**Entry requirements:** Any bachelor degree or higher or relevant work experience.

#### Master of Visual Arts

**Entry requirements:** Any bachelor degree or higher or a combination of alternative admission criteria such as formal, informal and non-formal learning deemed to be equivalent to a bachelor degree or higher AND a personal statement

**Pathway:** to Master of Visual Arts Research

### Research degrees

#### Design and visual arts

**Master of Design Research**

**Master of Visual Arts Research**

**Doctor of Visual Arts**

#### Higher degrees by research

**Doctor of Philosophy**

**Master of Philosophy**

---

* Higher degrees by research have four intakes per year—February, April, July and October.

The application schedule is available at: [PhD degrees.griffith.edu.au](http://degrees.griffith.edu.au/Program/6001/HowToApply/International), [MPhils degrees.griffith.edu.au](http://degrees.griffith.edu.au/Program/5001/HowToApply/International)

1. GCE A Levels: Aggregate of the best 3 A Level or combination of A and AS Level subjects (A+=5, A=4, B+=3, B=2, C=1). IAS Levels are equivalent to half points, e.g. A=2.5.
2. Bangladesh: Bangladesh Higher Secondary or Intermediate Certificate (since 2003). Grade average in the final year results.
3. Hong Kong: Hong Kong Diploma of Secondary Education (Advanced Level) (Level H1=AS Level; Level H2=AL Level). For H2 subjects, A+=5, B+=4, C=3, D+=2, E=1.
4. Hong Kong: Hong Kong Diploma of Secondary Education (Advanced Level) (Level H1=AS Level; Level H2=AL Level). For H2 subjects, A+=5, B+=4, C=3, D+=2, E=1.
8. South Korea: Korean Republic College Scholastic Ability Test (CSTAT). A minimum overall grade. The overall grade is calculated from the results in Korean Language, Mathematics, Science, and Social Study Areas. Results in other components are not considered.
10. USA ACT score / High School Diploma
11. USA SAT score / High School Diploma
12. Australian Year 12 (ATAR)
How to apply

Applying to study at Griffith is easy. With applications open all year round, you can complete your application in six simple steps.

01 Choose the degree you want to study.
Find the degree which meets your career and study goals at griffith.edu.au/international-study

02 Check if you meet entry requirements.
Consider a pathway option if you don’t meet direct entry requirements (see page 22).

03 Check if you are eligible for credit.
If you have existing formal qualifications or relevant work experience, you may be eligible to receive credit, which will reduce the duration of your study. griffith.edu.au/credit

04 Prepare supporting documentation.
Include certified copies of your academic and English test results (translated into English if applicable) plus a portfolio or audition if relevant to your degree.

05 Apply online.
Apply online or via a registered recruitment representative. griffith.edu.au/apply/international
If you are currently studying at an Australian high school you may apply through QTAC.

06 Accept your offer.
You must return evidence of meeting any outstanding conditions in your Letter of Offer, formally accept your offer and pay your total deposit fee.

Application dates
We recommend that you apply by:
• 31 January (to start in Trimester 1)
• 3 June (to start in Trimester 2)
• 30 September (to start in Trimester 3).
You must allow enough time for your visa application to be processed to enable you to arrive in time for Orientation Week. Some degrees have different application closing dates. Check if this applies to your degree at degrees.griffith.edu.au

After you accept your offer
Once you have accepted your offer you will receive an electronic Confirmation of Enrolment (CoE) which you will need when you apply for a student visa. Visit griffith.edu.au/international/plan-your-move-to-australia for useful information about life in Australia including:
• Accommodation
• Griffith support services
• Orientation
• Public transport
• Moving to Australia with a family.

Visit:
griffith.edu.au/apply/international

If you enrol in an online or external degree you are not eligible for an Australian student visa. Online and external degrees can be studied part-time.

### Credit points

Credit Point (CP) refers to the value of a course. Generally, one course is worth 10 credit points. This may differ depending on your area of study. This Guide contains the total number of credit points each degree is worth.

### Duration

Unless stated otherwise, all degree durations (years) are for full-time study. For most programs, full-time study is 80 CP per year (or 40 CP per trimester). Full-time enrolment is normally a condition of retaining a student visa.

### Modes of study

- **F** = Full-time study
- **P** = Part-time study

For example, 3F = three years full-time, 1P = one year part-time

### Programs and courses

A student is admitted to a program, and on successful completion of all program requirements is awarded the degree to which the program relates.

Programs are made up of courses that are usually attributed 10 credit points each. At Griffith, a typical full-time study load is 4 courses per trimester (40 credit points).

### Pathways

Degrees with a tick in the pathways column have a Griffith College academic pathway. Find out more on pages 18–19.

### Honours

Degrees with a tick in the honours column have one optional year of honours research or the opportunity to complete honours within the degree.

### Tuition fees

2024 indicative full-time fees are calculated on the basis of 80 CP of study (2 trimesters full-time).

Tuition fees are in Australian dollars and are subject to an annual review.

Find out more at: [griffith.edu.au/apply/international/fees](http://griffith.edu.au/apply/international/fees)

### Entry requirements

#### Grade Point Average (GPA)

Your Grade Point Average (GPA) is the measure used for academic achievement at Griffith University. The university uses a 7.0 scale where 4.0 is a passing mark.

Your GPA is calculated using your academic grades and the credit point value of the courses you have completed.

You can calculate your GPA using the method shown in the Calculation of Grade Point Average policy: [griffith.edu.au/students/assessment-exams-grades](http://griffith.edu.au/students/assessment-exams-grades)

#### Undergraduate academic entry scale

- **Standard** - S
- **Higher** - H1, H2, H3, H4, H5, H6
  
  (H1 = lowest, H6 = highest)

A list of undergraduate entry requirements by country, for a selection of countries, are listed on page 66.

It is also available in the ‘How to Apply’ tab for each degree on [degrees.griffith.edu.au](http://degrees.griffith.edu.au)

#### Postgraduate academic entry scale

- **A** - any bachelor degree (or equivalent) from a recognised university.

- **R** - a related bachelor degree (or equivalent) from a recognised university.

- **O** - a combination of other academic entry requirements.

Some degrees have additional academic entry requirements, including specific GPAs and work experience. Please check the academic entry requirements for your degree at [degrees.griffith.edu.au](http://degrees.griffith.edu.au)

#### English language

All Griffith degrees have English language entry requirements. You can check the minimum overall IELTS score for your degree in the program pages of this Guide.

Below is a list of other tests we accept, and the corresponding results, based on our most common IELTS score:

- A minimum overall band score of 6.5 on IELTS (Academic) (no sub-score less than 6.0); or
- a minimum score of 575 on TOEFL; or
- an internet-based (iBT) TOEFL score of 79 (no sub-score less than 19); or
- no score less than 3+ in each skill of the ISLPR (conducted by ISLPR Language Services only); or
- an overall score of 176 on C1 Advanced (formerly Cambridge Certificate in Advanced English) or C2 Proficiency (formerly Cambridge Certificate of Proficiency in English); or
- an overall score of 58 in the Pearson Test of English (Academic) with no score less than 50.

Griffith University does not normally accept English language test results that are more than two years old.

Some degrees have higher English language requirements. Visit [degrees.griffith.edu.au](http://degrees.griffith.edu.au)
2024 INTERNATIONAL
Student Guide

Key dates*

Trimester 1 2024 (T1)
Orientation 26 February – 1 March
Teaching weeks 4 March – 31 May
Study days 3 June – 5 June
Exam period 6 June – 15 June

Trimester 2 2024 (T2)
Orientation 8 July – 12 July
Teaching weeks 15 July – 11 October
Study days 14 October – 16 October
Exam period 17 October – 26 October

Trimester 3 2024 (T3)
Orientation 28 October – 1 November
Teaching weeks 4 November – 7 February (2025)
Study days 10 February (2025) – 12 February (2025)
Exam period 13 February (2025) – 22 February (2025)

*Some programs have different academic calendars. Please visit griffith.edu.au/academic-calendar-key-dates for a full list of key dates
