STUDY AT MELBOURNE 2023

GUIDE FOR INTERNATIONAL STUDENTS
UNIVERSITY OF MELBOURNE AT A GLANCE

#1 IN AUSTRALIA

#33 IN THE WORLD

#8 IN THE WORLD FOR EMPLOYABILITY

FLEXIBLE AND FOCUSED UNDERGRADUATE DEGREES
Select majors, electives and breadth subjects that focus on your chosen career. Or, take your time to explore a range of subjects before deciding.

UNPRECEDENTED CHOICE
Our 19 graduate schools offer over 400 courses, providing boundless scope to you to pursue your passion and develop your career.

YOUR CITY
One of the world’s most liveable

WORLDS WITHIN WORLDS
Woven into the fabric of Melbourne and of Victoria.

YOUR TEACHERS
Learn from expert academics who are changing the world one project at a time. Be inspired by your lecturers, tutors and mentors. Leave prepared for your career.

YOUR NETWORKS
We have over 160 nationalities represented on campus, and our graduates join an international network of over 400,000 alumni.

YOUR CAREER
We’re ranked higher for graduate employability than some of the world’s top universities, including Cambridge, Berkeley and the University of Hong Kong.

SUPPORT
Connect with our services through Stop 1 – you can always come to us for support and advice.

SCHOLARSHIPS
Melbourne has one of the most generous scholarship programs in Australia. Find one that suits you: scholarships.unimelb.edu.au

YOUR CITY

THE CITY OF MELBOURNE
Located in the state of Victoria, on the south east coast of Australia, you will be living and studying in Australia’s cultural capital.

Voted one of the world’s most liveable cities for nine years and counting, Melbourne is renowned for its celebration of art, sport, cuisine and great public transport.

Melbourne is one of the world’s most multicultural cities and dynamic international business hubs.

The inner city is a cluster of exciting communities connected by public transport and bike paths, and the University of Melbourne is at the heart of it all.

Explore the city’s famous cobblestone lanes, go to a music festival, take in a world-class theatre production, sample amazing cuisine or watch an Aussie Rules football match.

As a student living in Melbourne, jump on an iconic tram to the doorstep of our Parkville campus, pop into our weekly farmer’s market before class and find yourself a quintessential Melbourne coffee.

- Travel from our Parkville campus to the CBD in 15 minutes by tram
- Live in a city with more cafes and restaurants per number of residents than any other city in the world
- Over 3000 live music performances weekly
- State capital of Victoria
- Sporting and cultural capital of Australia
Beyond the city of Melbourne, students can enjoy all that the state of Victoria has to offer. Regional Victoria is known for its iconic beaches, wineries, bushwalking and farm-to-table food, and is accessible by train, bus or car. Enjoy summer drives along the Great Ocean road, learn to ski in Victoria’s alpine resorts in winter, discover the joys of falling autumn leaves in Bright, or enjoy the hot springs of the Mornington Peninsula.
YOUR CAMPUS

The University of Melbourne has been a central part of the city of Melbourne since 1853.

When you study with us, you’ll be joining a vibrant medical precinct, a world-famous artistic community, a thriving start-up network, and urban and rural researchers who will be feeding the world into the future.

PARKVILLE

Our Parkville campus is spread across a mix of historic sandstone buildings and state of the art facilities, with cafes, 12 libraries, gyms, specialty stores, a small supermarket and even a seasonal farmers’ market. The Parkville campus is situated within a renowned knowledge precinct, which includes eight hospitals, many leading research institutes and a wide range of knowledge-based industries.

The Student Precinct is a place for students, staff and the wider community to engage, learn and grow. It facilitates student connection, by enhancing the campus-based experience and fostering a sense of inclusion to enable peers, colleagues and cohorts to forge new relationships, collaborate and innovate.

SOUTHBANK

Our Southbank campus is situated in the city’s lively arts precinct – which itself is in the centre of Australia’s cultural capital. Southbank campus is purpose-built for the creative arts, and features sound and dance stages, animation studios, cinemas and visual arts studios. It sits alongside the National Gallery of Victoria, Melbourne Theatre Company, Melbourne Recital Centre, the Australian Ballet, the Arts Centre and the Australian Centre for Contemporary Art.

SPECIALIST CAMPUSES IN MELBOURNE AND REGIONAL VICTORIA

Our University is a key partner in industries across Victoria. We collaborate with others to solve rural health issues and ecological challenges facing us today.

Our Werribee campus boasts some of the world’s most advanced veterinary facilities at the University’s Animal Hospital.

Our Burnley campus is dedicated to environmental and ornamental horticulture, with nine hectares of heritage-listed gardens.

Creswick is Australia’s only dedicated forest ecosystem science campus, focusing on conservation, forest industry and molecular biology research.

The Dookie campus is a focal point for key research, teaching and technology development, helping to shape the future of agriculture in Australia.

Our bold new engineering and design campus at Fishermans Bend will bring research to life at an industrial scale. The campus will be the University’s new place for large experimental research, hands-on learning and industry colocation. Large, interactive spaces, world class facilities and a vibrant innovation environment will transform the education experience and push the boundaries in research and development.

The Shepparton Medical Centre campus specialises in rural health and clinical education.
YOUR HOME

Live in the heart of Australia’s most liveable city. As an undergraduate, full-time student, you are eligible for an offer of guaranteed accommodation.

Choose from shared apartments, self-contained studios, dormitory-style living, residential colleges, homestay and private rental options.

LITTLE HALL, LISA BELLEAR HOUSE AND UNILODGE LINCOLN HOUSE

Stay within walking distance of our Parkville campus, in university-approved accommodation.

Residences include Little Hall - a learning hub with dedicated academic programs; Lisa Bellear House - situated between our Parkville campus and the vibrant student district of Brunswick; and UniLodge Lincoln House – modern dormitory-style living with impeccably-designed shared facilities overlooking the city. At each residence our team of professional staff will be ready to support you in any circumstance and ease your transition into university life. You’ll also be able to enjoy a year-round calendar of social, academic, wellbeing and sporting activities.

Rest easy knowing you have a place to call home at Melbourne.

RESIDENTIAL COLLEGES

Live in an immersive residential college community ranging in size from 70-400 students. With all meals provided, weekly academic tutorials, and comprehensive support included, college living is a unique and transformative experience.

Share rich conversations in iconic dining halls, make new friends through clubs, societies and participate in a range of social, cultural, sporting, musical and leadership programs. With dedicated residential tutors and professional staff living on site, college will support your learning with academic tutorials, pastoral care, career mentors and vast alumni networks, encouraging you to perform at your best and develop real world skills.

$5-7 million in college scholarships awarded each year, to one-third of students receive financial aid in addition to part-time employment opportunities.

OTHER OPTIONS

The University’s Student Housing service provides information to assist students with finding homestay, hostels or private rentals.

Student Housing provide advice on your rights and responsibilities as a tenant, refer you to financial support if needed, provide transportation information and tips on getting study ready.

Student Village Melbourne have furnished bedrooms with ample workspace and access to village facilities designed specifically for students.

To find out more scan the QR code or visit study.unimelb.edu.au/discover/accommodation

YOUR LIVING COSTS

Melbourne offers many lifestyle options to fit many budgets. You could live in the inner suburbs, and walk or cycle to uni. Some students save on rental costs by living further out, in which case they need to think about public transport costs or a car.

Substantial savings can be made by sharing accommodation, shopping at Melbourne’s famous markets, using our libraries and student-owned co-ops, and attending free events on campus.
YOUR LIVING COSTS

2023 RESIDENTIAL FEES AND INCLUSIONS

The table below outlines estimated living costs for a student at the Parkville campus of the University of Melbourne, according to the type of accommodation chosen. Costs vary, within the range provided, depending on the individual residence. Tuition fees are not included in estimates. The average cost of living in Melbourne each year is AUD$20,000 but this can vary depending on your lifestyle.

AT A GLANCE

- **Food and eating out**: $140 - $280/week
- **Bills (electricity, gas, water and internet)**: $60 - $80/week
- **Coffee on campus**: $4.00
- **Bike**: $150 (Hire: $3/day)
- **Public transport fares**: $30 - $60/week
- **Phone**: $15 - $30/week
- **Gym membership**: $79/month
- **Car (after purchase)**: $150 = $260/week

UNDERGRADUATE STUDY

The world’s most ambitious minds choose the University of Melbourne, not just because we’re ranked number one.

Our degrees align with those offered by top universities worldwide. You’ll start with a broad-based undergraduate degree. You can then join the workforce or go onto specialised professional education at graduate level.

With embedded ‘breadth’ studies, our curriculum empowers you to choose your direction and create a degree as unique as you are.

Take the opportunity to study at our 200 partner institutions around the world. Our connections within government and the community as well corporate partnerships will bridge the gap between study and work with industry-based learning.

At Melbourne, you’ll join a diverse network of leading minds and industry connections. Broaden your horizons through industry-based learning, or study at one of our 200 partner institutions around the world.

A University of Melbourne degree will help you build the right skills to adapt to whatever lies ahead. A distinct and outstanding education prepares our students for success as leaders, change agents and global citizens.

As a world-leading university, employers seek out our students. Our graduates represent our greatest contribution to the world.

FIRST YEAR
Explore a range of subject areas that you’re interested in. You’ll combine subjects within your discipline and outside of it too – giving you a breadth of knowledge that sets you apart. By the time you choose your major, you’ll be well informed.

SECOND YEAR
Start to focus on the study area which will become your major, while remaining flexible enough to explore. Second year is great for going on exchange, leading clubs, building industry networks and getting into lots of fun activities.

THIRD YEAR
Achieve a level of specialisation and could take part in a third year ‘capstone’ experience, designed to consolidate to prepare you for your career. Capstone subjects may involve work placements, project-based learning, a research project, or a coursework subject outlining business best practice.

See pages 12–13 for a full list of majors – we have over 100 available.

WHAT IS ‘BREADTH’?
A subject taken from outside your core studies or major. Most University of Melbourne undergraduates are required to take breadth subjects.

Breadth will allow you to tailor your course to fit your individual passions and career ambitions.

Some students find that taking a breadth subject ignites a passion they’d never known about. Others use breadth to improve their career prospects with a language, communication skills, or business know-how. ‘Breadth tracks’ (groups of subjects taken throughout your degree) may even qualify you for graduate study in a field that’s very different to your major.

CONCURRENT DIPLOMAS
Study an extra qualification alongside your degree. Enhance your employability and develop detailed knowledge in an area outside your main area of study.

We offer four concurrent diplomas:
• Diploma in Computing
• Diploma in Languages
• Diploma in Mathematical Sciences
• Diploma in Music

High-achieving students may be able to complete their degree and concurrent diploma within the three years of their degree, but studying a concurrent diploma typically will add six months or a year to your undergraduate full-time studies.

A DEGREE AS UNIQUE AS YOU

UNDERGRADUATE
(BACHELORS) DEGREE
3 years duration
Arts, Biomedicine, Commerce, Design, Fine Arts, Music or Science

DEPTH 75%

GRADUATE STUDY AT MELBOURNE

Study alongside the most talented students in an environment focused on research impact and industry relevance. Be part of a university committed to changing lives by contributing to the policy, debate and skills required for a better global society.

We offer more than 400 higher level graduate courses across a broad range of disciplines, among them professional entry programs including the Juris Doctor (law), the Doctor of Medicine (MD), the Master of Teaching, the Master of Engineering and the Master of Architecture.

Our graduate study areas include:

- Architecture, building, planning and design
- Arts, humanities and social sciences
- Business and economics
- Education
- Engineering and information technology
- Environment
- Health
- Law
- Music, and visual and performing arts
- Science
- Veterinary and agricultural sciences.

Whether you’re choosing your first career, changing direction or gaining that competitive edge, our world-class research and coursework graduate programs offer a professionally relevant education. Our graduates develop strong connections with community and industry that open the door to an outstanding future.

To find out more scan the QR code or go to unimelb.edu.au/study/grad-degrees

GET A COMPETITIVE EDGE

Be equipped with specialised cognitive and technical skills and an internationally recognised graduate qualification.

THE GRADUATE SCHOOL EXPERIENCE

At Melbourne, you’ll get the full benefit of the graduate school experience by studying intensively, in small classes led by experts and alongside others who share your deep interests and desire to succeed. Work towards a professional qualification (for example, through the Juris Doctor), or join our world-changing researchers with a research higher degree.

“I have always been passionate about sustainability and climate change issues, so I studied environmental engineering at Liege University in Belgium. Coming to Melbourne, I worked as an environmental engineer but wanted to focus more on renewable energy. A PhD at the University of Melbourne felt like my chance to pursue a career geared towards building a more sustainable future.”

Mathieu Pichault (Belgium)
PhD candidate in Earth Sciences and Mechanical Engineering

#8 IN THE WORLD FOR EMPLOYABILITY
- QS Graduate Employability Rankings 2022

51% UNDERGRADUATE
49% GRADUATE STUDENTS

Quality Indicators for Learning and Teaching, 2020 Graduate Outcomes Survey
Who says you can’t change the world? We expect nothing less.

Our reputation as Australia’s leading research-intensive university attracts the most promising researchers around the world. We collaborate with industry partners, other institutions, research organisations, government and not-for-profit organisations to achieve research outcomes and remain at the forefront of innovation.

A graduate research student, you’ll be supervised by leading experts in your field.

**OUR RESEARCH DEGREES**

Our graduate schools offer research programs in most major disciplines.

**MASTER OF PHILOSOPHY**
The Master of Philosophy (MPhil) is an internationally recognised degree by research and requires the completion of a thesis of 30,000-40,000 words.

**MASTERS BY RESEARCH**

Masters by research degrees may have a coursework component, along with a shorter thesis of about 30,000 words.

**DOCTOR OF PHILOSOPHY**
Graduating with a Doctor of Philosophy (PhD) requires the completion of a thesis of 80,000-100,000 words on a specialised topic.

You will work under the guidance of two supervisors, who will provide advice and support throughout your research degree.

For help in finding supervisors, see: unimelb.edu.au/research-supervisors

**OUTSTANDING SUPPORT**

Research training is a core activity of the University. Our comprehensive support and professional development programs will help you become a more effective researcher. We offer access to dedicated research centres, advanced research facilities, generous scholarships and established student support networks.

unimelb.edu.au/study/graduate-research

**SCHOLARSHIPS AND FEES**

**DOMESTIC STUDENTS**

Most domestic graduate research students are exempt from paying tuition fees by the Australian Government Research Training Program Fee Offset Scholarship (RTP). This includes Australian citizens living overseas. Additional scholarships can provide annual living allowances, relocation grants and paid maternity, parental and sick leave.

**INTERNATIONAL STUDENTS**

Over 400 scholarships are available to international graduate researchers. Many cover tuition fees, a living allowance, paid maternity, parental and sick leave.

scholarships.unimelb.edu.au

**HOW TO APPLY FOR GRADUATE RESEARCH STUDY**

**STEP 1** Check your eligibility.

**STEP 2** Find potential projects and supervisors at findanexpert.unimelb.edu.au

Contact potential supervisor for support (if required).

**STEP 3** Prepare your documentation: proposal (if required), transcripts, cover letter, academic referees, English language test results (if required), supervisor support correspondence (if required) and any other additional requirements for your discipline (eg GMAT/GRE, audition, portfolio).

**STEP 4** Submit your application and wait for the outcome.

**STEP 5** If you receive an offer, you can then accept your place and prepare to start your life at Melbourne.

Find out more at study.unimelb.edu.au/how-to-apply/graduate-research
PATHWAYS TO PROFESSIONAL CAREERS

Combining undergraduate and graduate study with us is a pathway to limitless opportunity. Here are just some of the doors it can open across our broad range of study areas. For entry requirements and more information about pathways and where they can take you, visit study.unimelb.edu.au

*The Veterinary Bioscience major is only available to students who have received a provisional/conditional course offer to commence the Doctor of Veterinary Medicine following successful completion of the Bachelor of Science. For BSc students intending to apply for the Doctor of Veterinary Medicine via the Veterinary Bioscience major, it is a requirement that students have previously completed VCE Physics Units 3/4 or equivalent, or a 12.5 point Level 1 Physics subject. Students must complete four breadth subjects over the first two years of the Bachelor of Science degree. Students may complete one or two breadth subjects at first year level and two or three breadth subjects at second year level.*
YOUR STUDENT EXPERIENCE

Intern at one of the world’s most influential organisations, gain international experience, start a business, volunteer with organisations that inspire you, work part time and gain valuable skills while you study, or all of the above!

PRACTICAL EXPERIENCE
Internships are a great way to get first-hand industry experience. Our students intern in leading companies and institutions in Australia and abroad, paving the way to fulfilling and exciting careers.

LEADERSHIP AND NETWORKING
Employers love to see leadership experience on your resume. Lead a student group, direct a play, mentor a younger student or help run one of over 200 clubs and societies to make connections and build your networks.

VOLUNTEER
Contribute to a cause you are passionate about and make a difference! You can volunteer in Australia or overseas. In many cases your experience can count towards your degree, and we offer awards and grants to help finance your volunteer work.

SKILL BUILDING
The Global Leadership and Employability team provides programs and services to students free of charge, including screened job listings, workshops, industry events and connections with alumni. In addition, many faculties offer seminars, practical training and networking events to help you break into a great career.

STUDENT LIFE AT MELBOURNE
The University of Melbourne community is focused on creating a vibrant, diverse and welcoming environment that provides excellent teaching and learning opportunities and a rich University experience.

Through the Student Life program, you will be:

- Guided through your transition to University with Faculty specific inductions, the Melbourne Commencement Ceremonies, Melbourne Peer Mentor Program and First Year Discovery Subjects
- Mentored throughout your degree by our network of advisers who can provide personalised advice:
  - Access to alumni and industry mentors to explore career and graduate study options
- Recognised with digital credentials for capability development through volunteering, service and social entrepreneurship as part of the Melbourne Plus program

MELBOURNE PEER MENTOR PROGRAM
Be matched with a later-year student from your faculty, as well as a group of your first-year peers. Benefit from an insider’s experience, ask for advice and guidance in navigating uni life and make friends with other students in your degree. Develop your leadership and interpersonal skills in your third year by becoming a peer mentor yourself.

ACADEMIC ADVICE MENTORING
From your second semester, you’ll have appointments with an academic from your discipline or major area. They’ll help you identify areas of strength and personal interest to explore, and provide advice on how to take advantage of our global mobility and co-curricular opportunities.

Your academic adviser will be with you throughout your undergraduate degree to check in on your progress and help you in making decisions about major selections and internships, as well as looking beyond the end of the degree to careers and further study.

DISCOVERY EXPERIENCES
First year subjects to help you understand the University’s role in Melbourne, Australia and globally; the importance of Indigenous heritage, knowledge and culture; respect for diversity and inclusion sustainability; and the cutting edge research happening in your study area.

study.unimelb.edu.au/discover/life-at-melbourne

CLUBS AND SOCIETIES
Proudly multicultural, our diverse student community is represented by more than 200 clubs and societies. Joining a club or society allows you to continue the extracurricular activities you love, find a new interest or meet like-minded friends.

umsu.com.au/getinvolved/clubs/
We offer more than 1200 scholarships for new and current students.

Wherever you are, and whatever your passion, with a Melbourne scholarship you can turn ambition into achievement.

Our scholarships range from those awarded on merit, to assist with your expenses or to enable you to travel the globe. Some support your whole course or allow you to explore a specific interest.

The many prizes, grants and bursaries we offer help you get the most out of your time at university. These are awarded to continuing students at different points in their studies.

Grants are available to undertake volunteering or leadership activities. Excel in your studies and you could pick up a coveted prize for academic achievement. Bursaries can to ease the financial pressures of uni so you can focus on your studies.

**MELBOURNE CHANCELLOR’S SCHOLARSHIP**
Awarded to students with outstanding academic achievement during their Australian Year 12 or International Baccalaureate (IB) undertaken in or outside Australia (Australian citizens only).

**MELBOURNE INTERNATIONAL UNDERGRADUATE SCHOLARSHIP**
For high-achieving international students, a one off payment of $10,000, 50% and 100% remissions up to AUD $56,000 are available.

**MELBOURNE GRADUATE SCHOLARSHIP**
For high achieving international students undertaking graduate study, this scholarship offers between 25 to 100% fee remission.

For more information about all available scholarships, visit scholarships.unimelb.edu.au
“It has not only been an immense financial help for my family, but it has also provided me with the ease of mind to pursue my Bachelor of Science to the best of my abilities. It truly means so much to me that I am following my passion at one of the most esteemed universities in the world on a scholarship.”

Gautam Puri (Thailand)
Bachelor of Science
Recipient of a Melbourne International Undergraduate Scholarship.
HOW TO APPLY
INTERNATIONAL STUDENTS

OBTAINING A VISA
Most international students require a student visa to study in Australia. There are different student visas based on the type of course you will be studying. Check the website of the Australian Department of Home Affairs for details:
homeaffairs.gov.au/trav/stud

ESOS: PROTECTING INTERNATIONAL STUDENTS
The Australian Government is committed to ensuring you have a great education experience. The Education Services for Overseas Students Act 2000 (the ESOS Act) and related laws set out the requirements for education institutions that deliver education services to international students on a student visa.

These laws exist to protect international students and ensure you meet student visa conditions for attending classes and making satisfactory progress in your studies while in Australia.

To find out more about your rights and your responsibilities, go to:
services.unimelb.edu.au/international/visas/esos

WORKING WHILE STUDYING
If you wish to work while you are studying, you must hold a student visa with permission to work. This allows you to work 40 hours per fortnight while your course is in session and for unlimited hours during vacation periods. Classes are considered to be in session from the first day of semester until the last day of the examination period. Work restrictions vary for family members on student visas.

DOMESTIC STUDENTS STUDYING OUTSIDE AUSTRALIA
If you are an Australian or New Zealand citizen or an Australian permanent resident, then you are considered a domestic student for the purposes of admission to the University. All domestic undergraduate applicants, regardless of where you complete your secondary schooling, must apply for entry to the University through the Victorian Tertiary Admissions Centre (VTAC).

To find out more scan the QR code or visit:
go.unimelb.edu.au/cvk6

ALL OTHER INTERNATIONAL STUDENTS

STEP 1 APPLY DIRECT
Submitting an application is easy – you can fill out an online application.

We will contact to advise you of the outcome of your application or let you know if additional information is required

study.unimelb.edu.au/how-to-apply

You can also accept your offer and apply for a student visa online.

STEP 2 APPLY THROUGH AN OFFICIAL OVERSEAS REPRESENTATIVE
If you would prefer an approved agent to submit an application on your behalf, you can use one of the University’s official overseas representatives (education agents) in your country.

Our education agents can be found in over 70 countries and 300 cities around the world. They can help with lodging an application, accepting your offer, or applying for a student visa (if you are admitted to the University).

For further information about their costs, services and contact details, go to:
study.unimelb.edu.au/how-to-apply/find-an-overseas-representative

STEP 2 Provide a copy of your academic results to the University as part of your online application. If you are currently studying, you may be required to submit your final results (when they become available) before a complete assessment can be made.

STEP 3 You will receive an outcome letter via email, normally within four weeks of the University receiving your complete application. If we require further information or documentation, you will be notified and processing will proceed once the missing details are provided.

STEP 4 Complete the steps outlined in your emailed letter of offer, including completing your personalised offer acceptance form and providing your tuition fee deposit and Overseas Student Health Cover payment. For more information about how to accept your offer, go to:
students.unimelb.edu.au/get-started

STEP 5 Receive your Confirmation of Enrolment (COE) document, which you require to obtain your student visa.
ADMISSIONS

UNDERGRADUATE COURSES
TUITION FEES
Course fees are listed in the table on page 19. Visit the website for more information.
study.unimelb.edu.au/how-to-apply/fees

HOW TO APPLY
If you are an international student studying a qualification outside Australia, or undertaking foundation studies in Australia, you can apply online.
Timely applications for the standard offer rounds of most degrees are:
Semester 1 (Feb): Late November
Semester 2 (July): Late April
If required, you can seek assistance from one of our official overseas representatives.
study.unimelb.edu.au/how-to-apply

INTERNATIONAL STUDENTS STUDYING AN AUSTRALIAN YEAR 12
If you are an international student undertaking an Australian Year 12, you must apply through the Victorian Tertiary Admissions Centre (VTAC).
study.unimelb.edu.au/how-to-apply

FOUNDATION STUDIES
We accept a number of foundation studies programs as entry pathways to our undergraduate courses. Approved Foundation Studies programs are listed on our Study website.
study.unimelb.edu.au/how-to-apply

TRINITY COLLEGE FOUNDATION STUDIES
Graduates of Trinity College Foundation Studies are guaranteed a place in the University of Melbourne course of their choice if they satisfy the prerequisites and meet the required scores.

Trinity offers accelerated and extended programs to meet your individual needs, and the curriculum is supervised by the University of Melbourne’s Academic Board. The College is ideally located near the University’s Parkville campus.
trinity.unimelb.edu.au/tcfs

GRADUATE COURSES
TUITION FEES
Visit the website for more information.
study.unimelb.edu.au/how-to-apply/fees

HOW TO APPLY
Coursework degrees: Most courses accept online applications made directly to the University. Applications for Fine Arts and Music, Education, Business, Medicine and Law may also require completion of specific application forms and/or have additional requirements.
Timely applications for the standard offer rounds of most degrees are:
Semester 1 (Feb): Late October
Semester 2 (July): Late April
Some courses have early closing dates, and not all courses are available in Semester 2. Please check the course details online before applying. If required, you can seek assistance from one of our overseas representatives.
study.unimelb.edu.au/find

RESEARCH DEGREES
Applications for a research place are accepted throughout the year. Have a look on our website for specific course application closing dates. Note that entry requirements vary between degrees, so make sure you check with the relevant graduate school.
unimelb.edu.au/study/graduate-research

ENGLISH LANGUAGE REQUIREMENTS

ENGLISH LANGUAGE TEST
You can use an approved English language test to meet English language requirements. You must satisfy the requirements in one sitting within the 24 months preceding the proposed date of commencement of enrolment.

<table>
<thead>
<tr>
<th>Approved English language test</th>
<th>Required score (all undergraduate courses)</th>
</tr>
</thead>
<tbody>
<tr>
<td>IELTS (Academic)</td>
<td>Overall band score of 6.5 or more (with no band less than 6.0)</td>
</tr>
<tr>
<td>TOEFL: Paper-based</td>
<td>577 or more with TWE score of at least 4.5</td>
</tr>
<tr>
<td>TOEFL: Internet-based</td>
<td>79 or more and scores of 21 in Writing, 18 in Speaking, 13 in Reading and 13 in Listening</td>
</tr>
<tr>
<td>Pearson Test of English (Academic)</td>
<td>Overall score between 58 and 64 inclusive and no PTE communicative skills score below 50</td>
</tr>
<tr>
<td>Cambridge English: Advanced/ Certificate in Advanced English (CAE)</td>
<td>CAE score of 176 with no skill less than 169</td>
</tr>
</tbody>
</table>

SECONDARY OR TERTIARY STUDIES IN ENGLISH
You can meet the English language requirements for undergraduate study by satisfactorily completing secondary studies in an approved final-year English subject, or through approved tertiary study in English. Further information about the University’s English language requirements, including graduate requirements, is available at unimelb.edu.au/study/english-reqs

study.unimelb.edu.au/how-to-apply/english-language-requirements/graduate-english-language-requirements

You must achieve the following scores to meet the English language requirement for the Bachelor of Oral Health: TOEFL (internet-based): total score of at least 94 and scores of at least 27 for writing, 23 for speaking, 24 for reading and 24 for listening. To submit your scores when you apply, use our TOEFL Institution Code: 0974. IELTS: total score of at least 7.0 in the Academic International English Language Testing System (IELTS), with no bands less than 7.0. Pearson Test of English: overall score of at least 65 and achieve no PTE communicative skills score below 65.
## UNDERGRADUATE ENTRY REQUIREMENTS AND COURSE FEES

This table provides a quick summary of our undergraduate degrees and should be used as a guide only. The published international guarantees are those approved for 2022 and should be considered indicative for 2023. The 2023 guarantees are yet to be finalised and will be available on the University’s website once confirmed.

- **International students:** The Australian Year 12 international students: 2023 guaranteed ATAR and International Baccalaureate international students: 2023 guaranteed IB score are indicative for 2023. The published international guarantees are those approved for 2022 and should be considered indicative for 2023. The 2023 guarantees are yet to be finalised and will be available on the University’s website once confirmed. The published international guarantees are those approved for 2022 and should be considered indicative for 2023. The 2023 guarantees are yet to be finalised and will be available on the University’s website once confirmed. The published international guarantees are those approved for 2022 and should be considered indicative for 2023. The 2023 guarantees are yet to be finalised and will be available on the University’s website once confirmed.

- **Domestic students:** As the English language requirements to be eligible to be considered for the course, the score listed should be considered a minimum score to be eligible for a place in that course. The actual standard required may be higher depending on the demand for the course and the number of Commonwealth Supported Places (CSP) available.

- **International students:** The typical course fee shown provides an estimate of the tuition fees for the first year of the course in 2023. This estimate assumes a full-time study load, commencing Semester 1. For some degrees a typical fee range is shown, due to the wide range of variables that may affect the course structure, and subjects taken. Actual fees payable may vary and will be the sum of the fees for all subjects inhisher/your course.

- **International students:** Recipients of the Bachelor of Commerce Global Scholarship may be admitted with an entry score that is lower than that published here. This scholarship is available only to international students. For more details, see: scholarships.unimelb.edu.au/acosem_global_scholarship

- **International students:** Applicants intending to major in Economics are strongly encouraged to complete VCE Mathematical Methods or an equivalent.

</table>

See prerequisites for relevant degree. Program only available for students who completed Year 12 or the IB in Australia, and Australian citizens who completed an Australian Year 12 or the IB overseas.

- Applicants intending to major in Actuarial Studies or continue on to the Master of Engineering following the Bachelor of Commerce are strongly encouraged to complete VCE Specialist Mathematics Units 3 and 4 or equivalent.
- A range of criteria is used for selection. Visit study.unimelb.edu.au for additional requirements.
- International and domestic transferring students only.
- Indicative score only (entry is not guaranteed).

- Students who achieve an ATAR or notional ATAR of 99.90 or above (or 90.00 or above for Indigenous) and satisfy course prerequisites will be guaranteed a Melbourne Chancellor’s Scholarship: Students must have completed an Australian Year 12 qualification or the International Baccalaureate (IB) in Australia or be an Australian citizen and have completed an Australian Year 12 or IB overseas in the year prior to entry (students must either enrol immediately or be granted a deferral in the year following Year 12).
- Students must have completed an Australian Year 12 qualification or the International Baccalaureate (IB) in Australia or be an Australian citizen and have completed an Australian Year 12 or IB overseas in the year prior to entry (students must either enrol immediately or be granted a deferral in the year following Year 12).
- Applicants intending to major in Civil Systems, Computing, Construction, Digital Technologies, Mechanical Systems, Property or Spatial Systems may be required to undertake a bridging subject in mathematics as breadth in first year. This is equivalent to Units 3 and 4 Mathematical Methods, and entry requires a mathematics background equivalent to Units 1 and 2 Mathematical Methods.
- Applicants intending to progress to the Doctor of Veterinary Medicine are encouraged to complete VCE Units 3 and 4 in Chemistry or equivalent.
- Refer to tuition fees for the relevant bachelor's degree.
