Study Abroad & Exchange Guide
RMIT prepares students for life and work

Ready for a change, but don’t want to commit to a full program? Why not join RMIT as a study abroad or exchange student!

Immerse yourself in a new and exciting culture by studying at RMIT in Melbourne – one of the world’s most liveable cities – or Vietnam – RMIT’s Asian hub – for a semester or two. Take advantage of the University’s strong connections with industry, work-relevant courses and practical learning.

RMIT hosts more than 1,000 study abroad and exchange students from more than 100 countries each year.

Acknowledgement of Country

RMIT University acknowledges the people of the Woiwurrung and Boon wurrung language groups of the eastern Kulin Nations on whose unceded lands we conduct the business of the University. RMIT University respectfully acknowledges their Ancestors and Elders, past and present.

RMIT also acknowledges the Traditional Custodians and their Ancestors of the lands and waters across Australia where we conduct our business.

A message from the Vice-Chancellor

Professor Alec Cameron

At RMIT we are prepared for today and ready for what comes next, because our University is built on a spirit of resilience and a proven ability to adapt with the times.

Through complex times, we continue to learn and change while remaining united around our purpose of providing life-changing experiences for our students, and shaping the world with research, innovation, teaching and industry engagement.

At major moments in history, universities have a central role to play. Right now, RMIT is focused on helping the economies and social systems where we operate navigate the sustained impact of COVID-19 and the recovery ahead. We are doing this through research, government and industry partnerships, and a determination to ensure our students continue to succeed despite the challenges.

We also remain unwavering in our commitment to diversity and inclusion, because there’s never been a time when it’s more evident that we are stronger and we are smarter together. The pandemic fast-tracked an education evolution in blended learning for our students and hybrid working for our people and we’re excited about the possibilities this brings.

Today, more than ever, we need a global mindset, a vision for new ways of collaborating and learning, and a determination to make education and re-skilling available to all.

Powered by the insight and ingenuity of our people, RMIT will evolve and thrive for the decades to come, generating positive impact across the world.

Because at RMIT, we know that education is life changing.

Professor Alec Cameron
Vice-Chancellor and President
A global university of technology, design and enterprise

Our international reputation with employers, industry-based learning, state-of-the-art facilities, and student support are just some of the reasons why over 93,000 students from 197 countries and territories, choose to study with us. **Vietnam**
- Saigon South (Ho Chi Minh City)
- Hanoi City
Australia

Melbourne
Situated in the very heart of the CBD, the City campus has been an iconic part of the Melbourne skyline for more than 130 years.

Brunswick
Our Brunswick campus is a creative and multicultural hub. It is home to many of RMIT’s design courses, including fashion, textiles, graphic and industrial design.

Bundoora
Situated in the north of Melbourne, the leafy Bundoora campus is home to many of RMIT’s education, biomedical, health and science courses.

Vietnam

Saigon South
Study abroad at RMIT Vietnam and experience an unforgettable semester in Asia. Our beautiful Hanoi City and Saigon South campuses offer clean, green environments and expansive study spaces.

Hanoi City

Europe

Opportunities exist for students to engage with our European centre in Barcelona through study tours, internships and research, as well as online opportunities including industry projects, mentoring and guest lectures.
Live in Melbourne

Melbourne is a welcoming multicultural city where diversity is celebrated. The city is internationally recognised for its vibrant food and coffee culture. Melbourne features beautifully maintained public spaces, a network of bustling, creative laneways, iconic galleries and museums, as well as a lively year-round calendar of cultural, entertainment, fashion, food and sports activities and events.

Things to do in Melbourne

- Wander the laneways of the world’s most liveable city.
- Head to the Melbourne Cricket Ground to watch a game of cricket or Aussie Rules football.
- Watch a movie in the Royal Botanic Gardens with Moonlight Cinema.
- Explore the CBD on iconic Melbourne trams.
- Shop at the bustling Queen Victoria Market.
Live in Vietnam

Living and studying in Vietnam will you give an opportunity to explore a unique, historic, exotic, and rapidly developing country.

For culture, food, and dramatic scenery Vietnam has it all. You will be coming to a country rich with history and culture. From the ancient town of Hoi An, to the historical ruins of the Cham dynasty, the beaches of central Vietnam, and UNESCO world heritage site Ha Long Bay. Vietnam will surprise you with its diversity.

Ho Chi Minh City
Formerly known as Saigon, this fast-moving, ever-growing modern city is the economic centre of Vietnam, and is populated by approximately 9 million people. In January 2017, Ho Chi Minh City was named as the world's second most dynamic city.

The city is open 24-7, and is home to many cafes and restaurants serving food from all around the world. But beyond that are glimpses of history and cultural attractions including the Opera House, French colonial-style hotels, museums and galleries, Ben Thanh Market and a day tour to Mekong Delta area.

Hanoi City
Culture and history are the key aspects of this 1000 years-old city. Walk the narrow historic streets of the Old Quarter, with shops selling everything from red candlesticks, to lacquerware and water puppets. Take in the sights and sounds around Hoan Kiem Lake, the focal point of Hanoi life, especially on weekends. Ngoc Son Temple was built in the 18th Century and is located in the centre of the lake, on a small island.

Restricted courses
Architectural Design
All approved Exchange Architectural Design students will have a set Study Plan identified by the School. Architectural Design courses are not available to Study Abroad students. We recommend Study Abroad students explore the courses available in other areas such as Landscape Architecture, Urban Design, Interior and Industrial Design.

Media and Communication, Design and Fashion
Courses from the above areas are strictly open to students with a background in a related discipline.

Recommended courses
We encourage you to consider the Recommended Courses as they have a faster and easier approval process. The Recommended Courses are identifiable in our online course search tool.
GAP Year at RMIT University

Immerse yourself in a new and exciting culture with students from around the world!

Would you like to have a taste of what it is like to study in Australia but don’t yet know what career path you want to take?

An RMIT GAP year is a one or two semester program available for students who have just finished senior secondary school and have not yet started undergraduate studies.

For more information on GAP Year visit bit.ly/aus-study-abroad
What can I study

Option 1
Design your own program
Design your own course by selecting subjects from RMIT University’s range of disciplines. bit.ly/aus-study-abroad
GAP year students are required to select only “GAP Year courses” from the course search tool. GAP Year courses are available in:
- Accounting
- Business, IT and logistics
- Economics, finance and marketing
- Management
- Engineering
- Global, urban and social studies
- Property, construction and project management
- Science

Option 2
Choose a GAP Year package
Suitable for students who have just finished senior secondary school and have not yet started undergraduate studies.
You can complete one or two semesters.
1. Select 3-4 courses to study in one semester from one of the GAP Year Packages.
2. It is recommended to select a few back-up courses in case there are issues with availability or timetabling clashes.
3. Check the course search tool for availability: bit.ly/aus-coursesearch
4. Check you meet the pre-requisites of each course: rmit.edu.au/students/courses

Apply at RMIT
Check that you meet the program’s entry requirements.
- Have completed a senior secondary school qualification (equivalent to Australian Year 12) with a minimum average of 65%
- Meet RMIT’s English language requirements: bit.ly/englishrequirement
- Be 18 years of age or over at time of application
Find out more about how to apply at: bit.ly/aus-study-abroad

Please note that all courses are subject to availability, timetabling, capacity and eligibility. All courses can change without notice. Gap Year packages are not available to students applying for Study Abroad at RMIT Vietnam.

Global Leadership Programs
RMIT offers an exciting range of programs designed to grow your Leadership skills, increase your understanding of Cultural Intelligence (CQ) and equip you with the confidence to thrive in your global career. These free programs are a great way to meet RMIT students from across the globe and work together with industry on real world problems.

rmit.edu.au/globalleader

RMIT Activator
Activator is RMIT’s home of entrepreneurship. Its workshops, online learning and startup programs position students to solve the biggest problems out there and take on the future of work. At Activator, you can access mentors, attend masterclasses, request business coaching, apply for funding and learn the enterprise skills you need to support your ideas.

No matter what your future looks like, plug into Activator’s ecosystem of entrepreneurs, intrapreneurs, startup founders and innovators and let it help you on your journey to success.

rmitactivator.edu.au

RMIT Creds
RMIT Creds are a suite of micro-credentials that help develop your skill set beyond your area of study. These credentials have been co-designed with industry to ensure you’re ready for the changing world of work. They cover subjects such as digital literacy, leadership, sustainability, innovation, collaboration and communication.

Most Creds are available online and are short in duration, ranging from 60-minute snippets to several hours of learning. After you complete a Cred, you can claim a digital badge, which is a verified certification and a great way to communicate your achievements. You publish and manage your badge using Credly, RMIT’s credentialling platform partner. From there you can share your badge with peers, clients, employers or on social networks such as LinkedIn.

rmit.edu.au/creds

Work-integrated learning (WIL)
WIL is an activity where you apply your academic learning in a real-life situation with an industry or community partner.

Higher education and vocational education students can complete a WIL activity, which is formally assessed for credit towards your qualification. The type of WIL activities you undertake will depend on your program and study discipline, and can occur on or off campus. They may be:
- work placements such as clinical placements, internships or field education or professional practices
- projects with industry and community-based organisations
- art projects with exhibitions

WIL simulations like activities where you practice using technology, equipment or activities that are not possible to complete in an industry setting e.g. moot courts.

Future Edge employability program
Future Edge is a flexible, co-curricular program designed to increase the employability of RMIT students. The program helps you to craft and build your ‘personal brand’ in order to stand out in an increasingly competitive employment landscape. You can complete the program at your own pace while studying, and it will complement your time at RMIT by helping you build industry-specific and practical skills.

Throughout Future Edge, you will:
- set up a personalised plan that outlines your employability goals and skill gaps
- build your skills and experiences by participating in co-curricular activities such as workshops, industry events, volunteering and part-time work
- learn how to communicate your skills and experiences to potential employers, shape your résumé and boost your online portfolio

Discover RMIT, Melbourne and Victoria

Get set for an action-packed orientation program full of events and activities that will introduce you to the academic and social side of campus life. You’ll meet loads of new friends, get a taste of Australian culture and most importantly – have a lot of fun!

- You will be able to attend sessions that cover enrolment and timetabling, academic and support services for students, accommodation and rental advice, student visa rights and responsibilities.
- We will have guided campus tours and you will also get the chance to meet your fellow exchange and study abroad students.
- Learn everything you need to know about living in Melbourne, including health and safety, travelling around Australia, Aussie sporting culture and more.
- You will also have the opportunity to participate in a day trip to one of Victoria’s most iconic sights, such as the spectacular Great Ocean Road or Phillip Island.

Kirrip at RMIT

Starting uni can be daunting, especially if you’re new to Melbourne, so our Kirrip program is designed to help you settle in and make friends.

‘Kirrip’ means ‘friend’ in the Woi-wurrung language of the Wurundjeri people, one of the Traditional Owners of Naarm (Melbourne), and RMIT has a large number of Kirrip stewards (existing students) who can answer your questions and show you around. Connect online or in person.

Melbourne Experiences

From coffee tours and gallery visits to big sporting events, our Melbourne Experiences program is ideal for those who want to discover more of Melbourne and meet people in a small group.

These experiences are led by friendly and helpful Kirrip stewards, and serve as a great starting place to expand your university social network and feel comfortable in your new city.

Airport pick-up service

As a study abroad or exchange student you are entitled to free airport pick-up. You need to register for pick-up before you arrive in Australia.

For more information:

Student clubs and communities

From cheerleading to chess, fashion to futsal – whatever you’re into, RMIT has a club or society for you.

We have more than 160 student-run clubs that engage more than 15,000 students and alumni, so whether you’re chasing adventure, want to meet new people, build new skills, or just do more of something you love – RMIT has the perfect group for you.

Campus life

Uni is about so much more than just going to class. Engaging in campus life is one of the best ways to make life-long friends, get healthy and grow, both personally and professionally.

At RMIT, there are hundreds of weekly events for students across all campuses, with free food, music and entertainment. You can unleash your creativity with our public art trails or collaborative art projects, get active with our social sports and excellent fitness facilities, or go on a group trip and visit somewhere you’ve never been before!

How to apply

Step 1
Check you meet the entry requirements
You must:
- have completed at least one full year of studies at your home institution. (GAP Year applicants are not required to have previous higher education studies)
- have a minimum cumulative Grade Point Average of 2.0 out of 4 or 60% average (or equivalent).
- meet RMIT’s English language requirements bit.ly/englishrequirement
- be 18 years of age or over at time of application.

Step 2
Design your program
Select RMIT courses using the course search tool. Make sure you take into consideration the course restrictions, Vocational and Higher Education calendars and campus location.
- Australia rmit.edu.au/study-with-us/international-students/programs-for-international-students/study-abroad-and-exchange
- Vietnam bit.ly/vn-coursesearch

Step 3
Submit your application
Are you a Study Abroad or a Exchange student?

SA: Study abroad (fee paying)
If your home institution does not have an exchange agreement with RMIT or you do not receive an exchange nomination, you can still join us for one or two semesters. Tuition fees are paid directly to RMIT.
Find out about fees and how to apply:
- Study Abroad to Australia bit.ly/aus-study-abroad
- Study Abroad to Vietnam bit.ly/vn-study-abroad

EX: Exchange (fee waiver)
Exchange students are officially nominated by their home institution to study for one or two semesters at RMIT, under a reciprocal student exchange agreement. Tuition fees are paid to the home institution, not RMIT.
- Exchange to Australia* bit.ly/exchangeaustralia
- Exchange to Vietnam* rmit.edu.vn/study-at-rmit/international-students/exchange-at-rmit-vietnam

* Your home institution will inform us of your nomination. We will then provide your institution with all the information and materials you will need to submit an application.

Step 4
Receive and accept your offer
You will receive an offer letter that you need to accept in order to secure your place in the program. We encourage to do this as soon as you can.

Step 5
Receive your Confirmation of Enrolment and apply for visa

Step 6
Receive your course selection outcome

Step 7
Travel to Australia/Vietnam
Testimonials

Yasemin Ozcelik

I chose RMIT because of their top-ranked media and communication program. I had heard a lot of positive things about it and wanted to experience it myself. It was the best decision of my life.

My time at RMIT was so different than being at home and studying. Everything was bigger and better.

I especially loved the study space at RMIT, there were so many different places to study, both inside and outside when the weather was nice.

I will never forget my time at RMIT.

Riccardo Petrachi

For me RMIT has not been simply my exchange destination, just a university, but it became my second home and big family. RMIT has been the perfect choice. It has given me so much experience and joy in a year of exchange more than I expected. I worked for RMIT, I became a social media ambassador, a trip leader and a mentor. My network has doubled and the fantastic balance between studies and social life on campus made my time here one of the happiest in my life.

What else could have I asked for? I will never regret my choice and will never forget this experience. RMIT now feels home.

Lena Korostylova

At my home university in Berlin, I gained important theoretical knowledge in electrical engineering. A semester abroad at the RMIT helped me to expand this knowledge and get a broader, international insight into this field. By choosing interdisciplinary courses I was able to learn important skills which contribute to my studies.
