RMIT prepares students for life and work

Ready for a change, but don’t want to commit to a full program? Why not join RMIT as a study abroad or exchange student!

Immerse yourself in a new and exciting culture by studying at RMIT in Melbourne – one of the world’s most liveable cities – or Vietnam – RMIT’s Asian hub – for a semester or two. Take advantage of the University’s strong connections with industry, work-relevant courses and practical learning.

RMIT hosts more than 1,000 study abroad and exchange students from more than 100 countries each year.

Acknowledgement of Country

RMIT University acknowledges the people of the Woiwurrung and Boon wurrung language groups of the eastern Kulin Nations on whose unceded lands we conduct the business of the University. RMIT University respectfully acknowledges their Ancestors and Elders, past and present.

RMIT also acknowledges the Traditional Custodians and their Ancestors of the lands and waters across Australia where we conduct our business.

A message from the Vice-Chancellor
Professor Alec Cameron

RMIT is an international university of technology, design and enterprise. Our mission is to empower people and communities to adapt and thrive across generations, with education, research and civic engagement that are applied, inclusive and impactful.

Our motto since 1887, ‘a skilled hand, a cultivated mind’, reflects RMIT’s commitment to improving the lives and futures of people in a fast-changing society. Applying knowledge with skill, imagination and integrity is at the core of all our work across education, research and civic engagement.

RMIT’s presence around the world enables our students and staff to benefit from the exchange of ideas and research across a broad ecosystem. Three substantial campuses in Melbourne are located in the City, Brunswick and Bundoora, along with other Victorian locations. We also have two campuses and a language centre in Vietnam, and a research and industry collaboration centre in Barcelona, Spain. In addition, programs are offered through partners in Singapore, Hong Kong, Sri Lanka and mainland China, with research and industry partnerships on every continent.

We continue to consolidate our reputation as one of the world’s leaders in education and applied research. At the heart of this is our ability to graduate highly employable global citizens who are ready to make a positive contribution. Our diverse community of 480,000+ graduates live and work in more than 150 countries around the world. We regularly welcome our alumni back throughout their careers to top-up their skills or change their direction altogether, because we know education is lifelong.

Powered by the insight and ingenuity of our people, RMIT will evolve and thrive for the decades to come, working with our students and communities to achieve their goals. I encourage you to take part.

Professor Alec Cameron
Vice-Chancellor and President
Our international reputation with employers, industry-based learning, state-of-the-art facilities, and student support are just some of the reasons why over 93,000 students from 197 countries and territories, choose to study with us. We are one of the top universities in Melbourne, and one of Australia's oldest tertiary institutions.
#1 graduate employment rate in Australia

#1 students from 194 different countries studying with RMIT

#1 scholarships awarded to our students in 2022

#3 in the world and second in Australia for our efforts to reduce inequality

#5 in Australia for the actions we’ve taken to tackle the world’s greatest environmental, social and governance challenges

$2.24M allocated by RMIT Activator to more than 115 student startups since 2015

90,559 students from 194 different countries studying with RMIT

3,000+ scholarships awarded to our students in 2022

12,456 RMIT students undertook work-integrated learning placements with 3,254 unique global industry partners in 2022

Largest dual-sector university in Australia

Committed to sustainability

RMIT has won the most Green Gown Awards of any institution in Australasia, winning awards for facilities and services, institutional change, carbon reduction and benefiting society. Most recently RMIT won the 2021 Green Gown awards for Climate Action and Circular Economy.

Empowering our communities

In 2021, RMIT Activator launched Trade Routes: a program that works with Indigenous businesses to build their capacity and ready them for international expansion. Co-designed with Indigenous businesses and community leaders, the program is the first of its kind in Australia.

Champion of inclusion

RMIT has won awards at the Australian LGBTIQ Inclusion Awards since 2019, including a Platinum Employer award in 2022. The awards recognise organisations around the country that foster and support diverse communities.

World-leading facilities

RMIT is home to many facilities that pave the way for industry advancement, including the world-first Blockchain Innovation Hub, Australia’s first university cloud supercomputing facility, and the first electric vehicle research facility of its kind in the Southern Hemisphere.

Study in a location that inspires you:

**Australia**
- Melbourne City
- Brunswick
- Bundoora

**Vietnam**
- Saigon South (Ho Chi Minh City)
- Hanoi City
Australia

Melbourne
Situated in the very heart of the CBD, the City campus has been an iconic part of the Melbourne skyline for more than 130 years.

Brunswick
Our Brunswick campus is a creative and multicultural hub. It is home to many of RMIT’s design courses, including fashion, textiles, graphic and industrial design.

Bundoora
Situated in the north of Melbourne, the leafy Bundoora campus is home to many of RMIT’s education, biomedical, health and science courses.

Vietnam

Saigon South
Study abroad at RMIT Vietnam and experience an unforgettable semester in Asia. Our beautiful Hanoi City and Saigon South campuses offer clean, green environments and expansive study spaces.

Hanoi City

Europe

Europe
Opportunities exist for students to engage with our European centre in Barcelona through study tours, internships and research, as well as online opportunities including industry projects, mentoring and guest lectures.
Melbourne is a welcoming multicultural city where diversity is celebrated. The city is internationally recognised for its vibrant food and coffee culture. Melbourne features beautifully maintained public spaces, a network of bustling, creative laneways, iconic galleries and museums, as well as a lively year-round calendar of cultural, entertainment, fashion, food and sports activities and events.

**Things to do in Melbourne**

- Wander the laneways of the world’s most liveable city.
- Head to the Melbourne Cricket Ground to watch a game of cricket or Aussie Rules football.
- Watch a movie in the Royal Botanic Gardens with Moonlight Cinema.
- Explore the CBD on iconic Melbourne trams.
- Shop at the bustling Queen Victoria Market.
Living and studying in Vietnam will you give an opportunity to explore a unique, historic, exotic, and rapidly developing country.

For culture, food, and dramatic scenery Vietnam has it all. You will be coming to a country rich with history and culture. From the ancient town of Hoi An, to the historical ruins of the Cham dynasty, the beaches of central Vietnam, and UNESCO world heritage site Ha Long Bay. Vietnam will surprise you with its diversity.

**Ho Chi Minh City**

Formerly known as Saigon, this fast-moving, ever-growing modern city is the economic centre of Vietnam, and is populated by approximately 9 million people. In January 2017, Ho Chi Minh City was named as the world’s second most dynamic city.

The city is open 24-7, and is home to many cafes and restaurants serving food from all around the world. But beyond that are glimpses of history and cultural attractions including the Opera House, French colonial-style hotels, museums and galleries, Ben Thanh Market and a day tour to Mekong Delta area.

**Hanoi City**

Culture and history are the key aspects of this 1000 years-old city. Walk the narrow historic streets of the Old Quarter, with shops selling everything from red candlesticks, to lacquerware and water puppets. Take in the sights and sounds around Hoan Kiem Lake, the focal point of Hanoi life, especially on weekends. Ngoc Son Temple was built in the 18th Century and is located in the centre of the lake, on a small island.

GAP Year at RMIT University

Immerse yourself in a new and exciting culture with students from around the world!

Would you like to have a taste of what it is like to study in Australia but don’t yet know what career path you want to take?

An RMIT GAP year is a one or two semester program available for students who have just finished senior secondary school and have not yet started undergraduate studies.

For more information on GAP Year visit bit.ly/aus-study-abroad
What can I study

Option 1
**Design your own program**
Design your own course by selecting subjects from RMIT University’s range of disciplines.

GAP year students are required to select only “GAP Year courses” from the course search tool. GAP Year courses are available in:
- Accounting
- Business, IT and logistics
- Economics, finance and marketing
- Management
- Engineering
- Global, urban and social studies
- Property, construction and project management
- Science

Option 2
**Choose a GAP Year package**
Suitable for students who have just finished senior secondary school and have not yet started undergraduate studies.

You can complete one or two semesters.

1. Select 3-4 courses to study in one semester from one of the GAP Year Packages.
2. It is recommended to select a few back-up courses in case there are issues with availability or timetabling clashes.
4. Check you meet the pre-requisites of each course: [rmit.edu.au/students/courses](https://rmit.edu.au/students/courses)

Apply at RMIT
Check that you meet the program’s entry requirements.
- Have completed a senior secondary school qualification (equivalent to Australian Year 12) with a minimum average of 65%
- Be 18 years of age or over at time of application

Find out more about how to apply at: [bit.ly/aus-study-abroad](https://bit.ly/aus-study-abroad)

Please note that all courses are subject to availability, timetabling, capacity and eligibility. All courses can change without notice. Gap Year packages are not available to students applying for Study Abroad at RMIT Vietnam.

**RMIT Creds**

RMIT Creds are a suite of micro-credentials that help develop your skill set beyond your area of study. These credentials have been co-designed with industry to ensure you’re ready for the changing world of work. They cover subjects such as digital literacy, leadership, sustainability, innovation, collaboration and communication.

Most Creds are available online and are short in duration, ranging from 60-minute snippets to several hours of learning. After you complete a Cred, you can claim a digital badge, which is a verified certification and a great way to communicate your achievements. You publish and manage your badge using Credly, RMIT’s credentialling platform partner. From there you can share your badge with peers, clients, employers or on social networks such as LinkedIn.

**Work-integrated learning (WIL)**

WIL is an activity where you apply your academic learning in a real-life situation with an industry or community partner.

Higher education and vocational education students can complete a WIL activity, which is formally assessed for credit towards your qualification. The type of WIL activities you undertake will depend on your program and study discipline, and can occur on or off campus. They may be:
- work placements such as clinical placements, internships or field education or professional practices
- projects with industry and community-based organisations
- art projects with exhibitions
- WIL simulations like activities where you practice using technology, equipment or activities that are not possible to complete in an industry setting e.g. moot courts.

**Future Edge employability program**

Future Edge is a flexible, co-curricular program designed to increase the employability of RMIT students. The program helps you to craft and build your ‘personal brand’ in order to stand out in an increasingly competitive employment landscape. You can complete the program at your own pace while studying, and it will complement your time at RMIT by helping you build industry-specific and practical skills.

Throughout Future Edge, you will:
- set up a personalised plan that outlines your employability goals and skill gaps
- build your skills and experiences by participating in co-curricular activities such as workshops, industry events, volunteering and part-time work
- learn how to communicate your skills and experiences to potential employers, shape your résumé and boost your online portfolio

rmit.edu.au/future-edge
Each semester, students from around the world are selected to be Social Media Ambassadors during their time studying at RMIT. If selected, capture your Melbourne experience using the hashtag #exploRMIT.

Get set for an action-packed orientation program full of events and activities that will introduce you to the academic and social side of campus life. You’ll meet loads of new friends, get a taste of Australian culture and most importantly – have a lot of fun!

- You will be able to attend sessions that cover enrolment and timetabling, academic and support services for students, accommodation and rental advice, student visa rights and responsibilities.
- We will have guided campus tours and you will also get the chance to meet your fellow exchange and study abroad students.
- Learn everything you need to know about living in Melbourne, including health and safety, travelling around Australia, Aussie sporting culture and more.
- You will also have the opportunity to participate in a day trip to one of Victoria’s most iconic sights, such as the spectacular Great Ocean Road or Phillip Island.

Kirrip at RMIT

Starting uni can be daunting, especially if you’re new to Melbourne, so our Kirrip program is designed to help you settle in and make friends.

‘Kirrip’ means ‘friend’ in the Woi-wurrung language of the Wurundjeri people, one of the Traditional Owners of Naarm (Melbourne), and RMIT has a large number of Kirrip stewards (existing students) who can answer your questions and show you around. Connect online or in person.

Airport pick-up service

As a study abroad or exchange student you are entitled to free airport pick-up. You need to register for pick-up before you arrive in Australia.

For more information: rmit.edu.au/study-with-us/international-students/prepare-to-arrive

Melbourne Experiences

From coffee tours and gallery visits to big sporting events, our Melbourne Experiences program is ideal for those who want to discover more of Melbourne and meet people in a small group.

These experiences are led by friendly and helpful Kirrip stewards and serve as a great starting place to expand your university social network and feel comfortable in your new city.

Student clubs and communities

From cheerleading to chess, fashion to futsal – whatever you’re into, RMIT has a club or society for you.

We have more than 160 student-run clubs that engage more than 15,000 students and alumni, so whether you’re chasing adventure, want to meet new people, build new skills, or just do more of something you love – RMIT has the perfect group for you.

Campus life

Uni is about so much more than just going to class. Engaging in campus life is one of the best ways to make life-long friends, get healthy and grow, both personally and professionally.

At RMIT, there are hundreds of weekly events for students across all campuses, with free food, music and entertainment. You can unleash your creativity with our public art trails or collaborative art projects, get active with our social sports and excellent fitness facilities, or go on a group trip and visit somewhere you’ve never been before!
Orientation and support Vietnam

Orientation Day
Orientation Day is often organised one week prior to the semester commencement, exclusively for new students to explore RMIT campus, services, resources as well as meet and get connected to senior students, lecturers and staffs, that includes:

- Collect student ID card and orientation kit;
- Learn about support services (housing advice, bank information, insurance; etc)
- Networking with other students
- Overview of RMIT online system and on-campus resources (Email, Intranet, Canvas, Online Enrolment system, Library, Safezone, etc)

Buddy Program
Prior to your arrival, RMIT will assign a buddy to you via email with full details of contact information. The Buddies will support you during your stay in Vietnam from the first day of arrival until the end of the semester.

Airport pick-up service
RMIT Vietnam provides a free airport pick-up service for all new international students, you need to complete the registration form to let us know when you will arrive in Ho Chi Minh or Ha Noi.

Welcome dinner, city tour and cooking class
An exclusive one-day trip around City center and surrounding districts
Form a team of international master chefs, learn how to make traditional dishes and win the best taste of Vietnamese cuisine
Welcome dinner with all fellow international students, buddies and RMIT staffs to make friends and networking your university social network and feel comfortable in your new city.

How to apply

**Step 1**
Check you meet the entry requirements

You must:
- have completed at least one full year of studies at your home institution. (GAP Year applicants are not required to have previous higher education studies)
- have a minimum cumulative Grade Point Average of 2.0 out of 4 or 60% average (or equivalent).
- be 18 years of age or over at time of application.

**Step 2**
Design your program

Select RMIT courses using the course search tool. Make sure you take into consideration the course restrictions, Vocational and Higher Education calendars and campus location.

- **Australia**

- **Vietnam**

**Step 3**
Submit your application

Are you a Study Abroad or a Exchange student?

**SA: Study abroad (fee paying)**
If your home institution does not have an exchange agreement with RMIT or you do not receive an exchange nomination, you can still join us for one or two semesters. Tuition fees are paid directly to RMIT.

Find out about fees and how to apply:
- **Study Abroad to Australia**
- **Study Abroad to Vietnam**

**EX: Exchange (fee waiver)**
Exchange students are officially nominated by their home institution to study for one or two semesters at RMIT, under a reciprocal student exchange agreement. Tuition fees are paid to the home institution, not RMIT.

- **Exchange to Australia**
- **Exchange to Vietnam**
  [rmit.edu.vn/study-at-rmit/international-students/exchange-at-rmit-vietnam](http://rmit.edu.vn/study-at-rmit/international-students/exchange-at-rmit-vietnam)

* Your home institution will inform us of your nomination. We will then provide your institution with all the information and materials you will need to submit an application.

**Step 4**
Receive and accept your offer

You will receive an offer letter that you need to accept in order to secure your place in the program. We encourage to do this as soon as you can.

**Step 5**
Receive your Confirmation of Enrolment and apply for visa

**Step 6**
Receive your course selection outcome

Yasemin Ozcelik

I chose RMIT because of their top-ranked media and communication program. I had heard a lot of positive things about it and wanted to experience it myself. It was the best decision of my life.

My time at RMIT was so different than being at home and studying. Everything was bigger and better.

I especially loved the study space at RMIT, there were so many different places to study, both inside and outside when the weather was nice.

I will never forget my time at RMIT.

Riccardo Petrachi

For me RMIT has not been simply my exchange destination, just a university, but it became my second home and big family. RMIT has been the perfect choice. It has given me so much experience and joy in a year of exchange more than I expected. I worked for RMIT, I became a social media ambassador, a trip leader and a mentor. My network has doubled and the fantastic balance between studies and social life on campus made my time here one of the happiest in my life.

What else could have I asked for? I will never regret my choice and will never forget this experience. RMIT now feels home.

Lena Korostylova

At my home university in Berlin, I gained important theoretical knowledge in electrical engineering. A semester abroad at the RMIT helped me to expand this knowledge and get a broader, international insight into this field. By choosing interdisciplinary courses I was able to learn important skills which contribute to my studies.
