**Study abroad**
If your university or college does not have a formal student exchange agreement with UWA, or if there is an agreement but the allocated number of places at UWA have been filled, or if you have completed high school but not yet enrolled at a university, you can study with us as a study abroad student. To study on this basis, tuition fees are payable. The fees are based on a standard enrolment.

**Selecting your classes**

**How many units can I take?**
SESA students must enrol in a full academic load of 18-24* points per semester. Most units are worth six points, so this generally works out to three to four units per semester. Typically, most units are offered for a semester, but some must be taken for a full year. Students are advised to speak to their home university for advice on credit points required.

**How do I select my units?**
You can use the online UWA Handbook to browse through units offered at UWA. All units consist of four letters detailing the discipline of the unit (such as ECON for Economics, PSYC for Psychology) and four numbers.

- Units with numbers beginning from 1 to 3 are generally undergraduate units. A code beginning with 1 represents first-year level studies, 2 represents second-year level studies, and so on.
- A unit with a number beginning with 4 is generally an honours-level unit and may require a minimum of three years’ study prior to enrolling. Please note honours-level units are not always available to SESA students.
- Some units coded 4xxx are common to both postgraduate and undergraduate programs.

- Units with numbers beginning with 5 and above are postgraduate level and require a minimum of three years’ tertiary study in a relevant field prior to enrolling.
- UWA does not offer a Bachelor of Law but the postgraduate Juris Doctor. As such, there are restrictions to which Law units SESA students can enrol in. For more information, contact the Global Learning Office.
- Medicine, Dentistry and postgraduate Psychology units are not available to SESA students.

handbooks.uwa.edu.au

* Enrolling in additional credit in excess of 24 points per semester will result in additional fees.
Location
You may choose to study either at the Crawley Campus in Perth or at the Albany campus, which is located in a rural city five hours south of Perth. If you are considering Albany, please contact the Global Learning Office first. Full year SESA students may even choose to study one semester in Albany then one semester in Perth.

Prerequisites
You will need to meet the relevant academic prerequisites both in level and content.

Teaching period
You should normally select units which are offered in Semester 1 or Semester 2. If you wish to choose units offered in other study periods, contact the Global Learning Office.

Academic year
The UWA academic year runs from late February to late November. If you are studying for two semesters and commencing in Semester 2, you will not be able to make your unit selection for your second semester until around late October when new units for the following academic year will be available.

Help with English language skills

**UWA Centre for English Language Teaching (UWA CELT)**
UWA CELT offers accredited English Language Intensive Courses for Overseas Students (ELICOS) programs in Language and Communication Essentials (the English pathway to UWA College) and English for Academic Purposes, as well as preparation for IELTS as an internationally recognised examination.

UWA CELT offers courses from beginner to advanced levels, with students assigned to classes based on their goals and level of language ability.

**Academic English and Study Skills Bridging Course (Bridging Course)**
The Bridging Course has been designed for international students who wish to study at UWA but do not have the University’s required level of English proficiency. The course is also suitable for students with unconditional entry into UWA who would like to further develop their language ability, study and research skills, and confidence before commencing tertiary study.

A 70 per cent pass in the Bridging Course meets the University’s English language requirement for most undergraduate and postgraduate courses, although some postgraduate courses have a higher English language requirement.

During this unprecedented time of pandemic disruption, UWA CELT continues to provide selected classes in the online mode as we seek to meet the needs of students unable to be here in Perth.

Student Services and Amenities Fee (SSAF)

Overseas Student Health Cover (OSHC)

The Australian Government’s Department of Home Affairs requires all international students applying for a student visa to have Overseas Student Health Cover (OSHC) for the entire duration of their student visa.

UWA has a ‘preferred provider’ agreement with Medibank. On acceptance and payment of your first tuition amount and OSHC, UWA will arrange health cover with Medibank for the anticipated length of your student visa. However, OSHC is offered by a number of providers so you also have the option of choosing a different provider. Be sure to check the level of coverage you’ll receive under their policies, and understand what is and isn’t covered.
