New Zealand

#1 IN NEW ZEALAND FOR
RESEARCH INTENSITY*
* 2018 Performance-Based Research Fund
The University is a thriving capital city university with a world-class learning and teaching environment. Our courses and degrees are internationally recognised and consistently place highly in global rankings. Study with us and join an outstanding academic community with a strong reputation for success.

LEARN REAL-WORLD SKILLS
Gain the knowledge, skills, and confidence you need to turn your studies into a career. Our teaching methods encourage you to strive for success and become an independent, resourceful, critical, and creative thinker. Many programmes at all levels offer the opportunity for real-world experience through field trips, research projects, work placements, or learning from leading local and international experts.

“The ultimate value of my time at Victoria University of Wellington has been learning how to bring value and vibrancy to a community, embrace differences, and be an influencer of positive change. This is something that will be useful wherever my career takes me in the future.”

– Sylviani Resy, Master of Public Management, New Zealand Scholarships Programme
